ATHLETIC DIRECTOR

To All Supporters of Lakehead Athletics:

Tonight is the culmination of the 1979-80 athletic year. It is a time to reflect on all the recreational, intramural and varsity athletic events. It is a time to honour all award recipients and to show appreciation to all athletic fans, student participants and organizers. With your enthusiasm and support, this banquet concludes a very successful season. This evening should be viewed as a step to build a better athletic program in the future that will fulfill everyone's needs.

The year 1979-80 has proved to be an extremely successful year for Lakehead University at the intercollegiate level. The soccer team got the ball rolling with a G.P.A.C. championship, a national ranking, a C.I.A.U. playoff berth and two All-Canadians. Our women's basketball team displayed a remarkable performance by being G.P.A.C. finalists. The men's basketball team made a mockery of previous Lakehead records by shattering twenty records. The team heralded the C.I.A.U. scoring champion and an All-Canadian. Improvement was a key to the hockey team's success as was evident as the season progressed. The hockey team, who boasted an All-Canadian and the C.I.A.U. Player of the Year, played the role of the spoiler in the G.P.A.C. scene. Our swimmers ranked high in the nationals with one gold and three silver medals to their credit. With ten wrestlers qualifying for the C.I.A.U. championships after receiving the honours of Canada-West - G.P.A.C. champions, what more can be said with their excellent showing. Seven medals, one being a gold, helped Lakehead dethrone perennial powerhouses and claim the prestigious title of National Champions.

Congratulations must be extended to our excellent coaches for their time, effort and expertise in guiding our athletes to the goals they achieved.

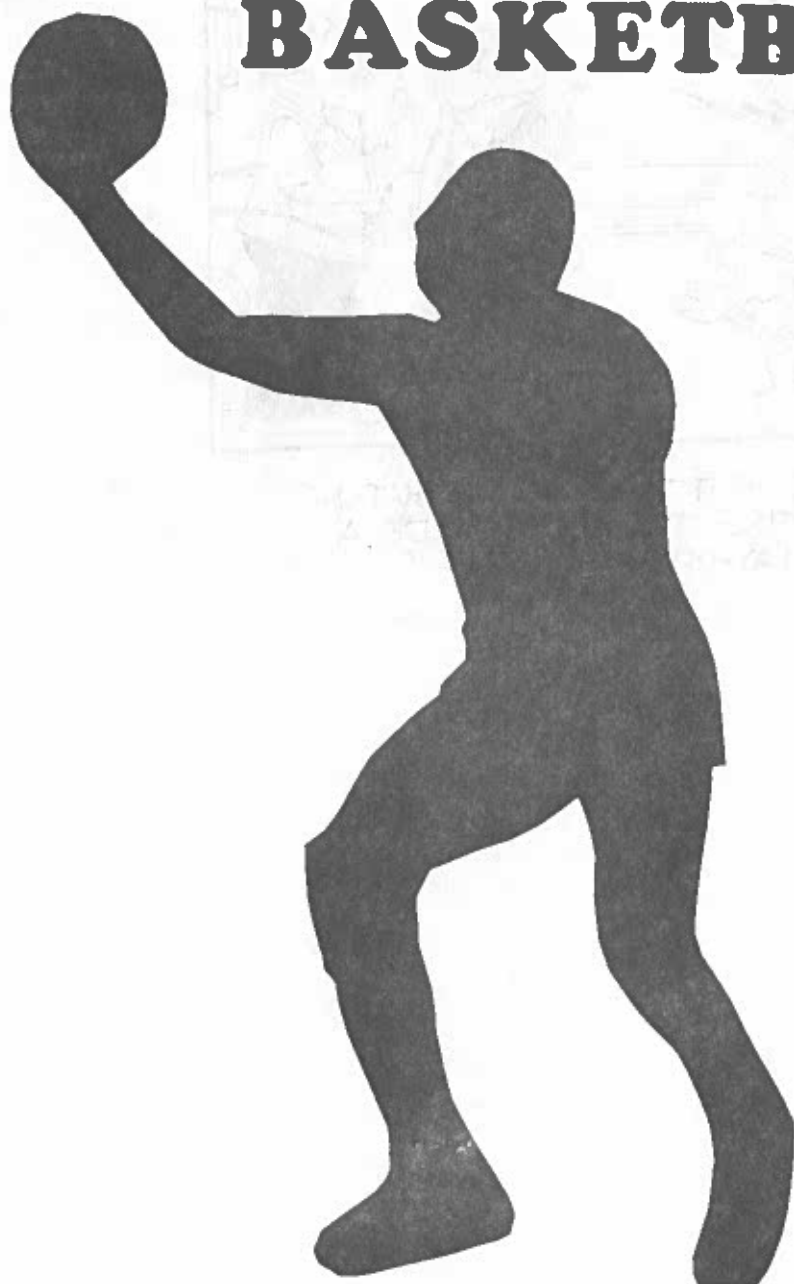

Let's enjoy this evening and build upon this base for our athletic future at Lakehead.

Ken Coffin
Athletic Director

ARTIST AND MAN

Make thy life better than thy work. Too oft
Our artists spend their skill in rounding soft
Fair curves upon their statues,
While the rough
And ragged edges of the unhewn stuff
In their own natures startle and offend
The eye of critic and the heart of friend.

If in thy too brief day thou must neglect
Thy labor of thy life, let men detect
Flaws in thy work! while their most searching gaze
Can fall on nothing which they may not praise
In thy well-chiseled character. The Man
Should not be shadowed by the Artisan!
