VOLUME 6

NUMBER 5

JULY 13, 1973

In Recognition

Dr. Melvin W. (Mel) Bartley has been appointed Honorary Professor in the Department of Geology at Lakehead University. The announcement, was made recently by Dr. Andrew D. Booth, President of the University.

Dr. Bartley's association with post-secondary education in the Lakehead goes back to 1943 when he was involved in the first committee to investigate the feasibility of forming an institute of technology. Always in the vanguard, he was the founding principal of Lakehead Technical Institute, Board member for the Lakehead College of Arts and Science, and founding chairman of the Board of Governors of Lakehead University in 1965.

Dr. M. W. Bartley

In 1934, he obtained his B.Sc. from the University of Manitoba, followed by an M. Sc. in 1935. Thereafter he lectured in geology at the University of Toronto, where he earned his Ph.D., granted in 1940.

From 1940 to 1947, he was employed as production manager at the Steep Rock Iron Mines. He accepted the appointment as principal of Lake-Technical Institute in 1947.

In 1952, Dr. Bartley left the Institute to set up his own consulting firm. To this day he remains president of M. W. Bartley and Associates, Ltd.

In the fall of 1972, Dr. Bartley returned to the classroom at Lakehead University, determined to promote respect for the practical applications

of geological theory in the minds of future geologists. Commenting on his appointment as Honorary Professor of Geology, Dr. Edward Mercy, Chairman of the Department of Geology said:

"Dr. Bartley has a unique experience of mining geology in Northwestern Ontario and a wide knowledge of the mining industry on several continents. His appointment is welcomed by the present members of the Department of Geology because of his expertise in applied geology and his enthusiastic approach to the teaching of potential professional geologists."

Summer Info

In keeping with its policy of year-round academic activity, Lakehead University's Summer Term, underway since July 3, will continue until the middle of August. Faculty, students and members of the University community who are new to the Thunder Bay area are invited to come around to the Information Office which is located in Room MB 1057, next door to the Switchboard in the Main Building. Brochures and pamphlets regarding local and district tourist attractions, camping facilities, and the like, have been collected for your convenience. You are welcome to this material, as well as to any information which might make your stay in Thunder Bay more comfortable and enjoyable.

Mini Basketball

One of the pressing needs in the development of Canadian basketball is to start the players at a younger age. The Lakehead University Basketball Camp, under the direction of Nor'Wester Coach Howard Lockhart, will be offering mini basketball for youngsters ages 8 to 12, boys and girls included. The program, which commences August 20, employs small balls and lower goals to suit the needs of the smaller players. The aim is to provide a program that will develop the overall motor skills, give them an idea of what the game is about, and to develop an interest in basketball and sports as a whole. The program will include lead-up games and activities which will develop the basic skills of the participants. Individual attention and instruction will be stressed.

The mini program will begin at 9:00 a.m. daily and end at 4:30 p.m. following a swim in the Lakehead University pool. A visitors' day will end the camp at noon on Saturday.

Persons requiring more information or application forms may phone 345-2121, ext. 650 or ext. 213 at the University.

Top Coach To Instruct

From August 20 – 25, Dr. Daniel McNair, Wrestling Coach of Southeast Missouri State University, will help with the instruction of the third Annual Lakehead Wrestling School.

Dr. Daniel P. McNair, a former NCAA Heavyweight champion, teaches and coaches at Southeast Missouri State University, Cape Girardeau, Missouri. Prior to this he has coached and taught at Pembroke State University, North Carolina for three years and at Frostburg State College, Maryland for one year. His first coaching experience was at Auburn University in Alabama, his alma mater, where he worked under his former coach Arnold "Swede" Umbach, for five years as assistant wrestling coach.

Dr. McNair graduated from Auburn in 1953 with a B.Sc. in Physical Education. He received his M.Ed. from Auburn in 1959 in School Administration and his Ph.D. in Physical Education from Louisiana State University in 1967.

As an undergraduate at Auburn University, McNair was a three-time champion in his weight class (heavyweight) in the Southeastern Conference and has a 39-1-1 dual meet record. He copped the NCAA heavyweight championship as a senior. Recently he was honoured by Auburn as the "Wrestler of the Half-Century".

Dr. McNair and his wife reside in Cape Girardeau, Missouri with their two daughters.

Applications forms and further details for the School are available by phoning 345-2121, ext. 544, or by writing Lakehead Wrestling School, Athletic Building, Lakehead University, Thunder Bay, Ontario P7B 5E1.

Economics Note

Dr. Chris Jecchinis, Chairman of the Department of Economics gave a series of lectures on Technological Change, Job Security, and Income Distribution at the C.L.C. Summer School in Peterborough from June 10 to June 15. Dr. Jecchinis was invited also to give a series of lectures on Collective Bargaining at the Postal Workers' Summer School in Peterborough from July 1 to July 6. On June 20, Dr. Jecchinis gave a talk on the Dangers of Industrial Conflict at the 18th Annual Management-Night Dinner sponsored by the Lakehead and District Credit Unions at the Slovak Legion Hall of Thunder Bay.

Astronomy Nights

During the summer observing facilities will be available on clear Monday evenings from the

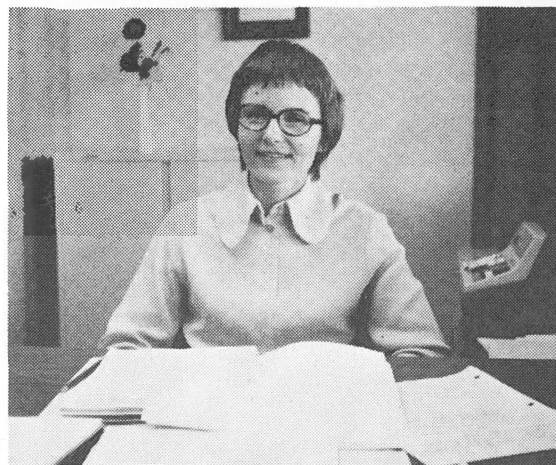

balcony of the Library Building. Those interested should write their names on a list on the door of room 5036 (Fifth floor, library building), or telephone Ron Stuart (577-3943).

History Note

At the recent meeting of the Canadian Association of Slavists at Queen's University, Dr. Ernest R. Zimmermann, Assistant Professor of History, was elected to the Editorial Committee of the Canadian Slavonic Papers.

Additional Duties

Dr. A. D. Booth, President of Lakehead University, is pleased to announce the recent appointment of Mrs. Geraldine Service to the position of Assistant to the President, which she will hold in addition to her present position as Institutional Research Officer. Mrs. Service, who holds an M.Sc. degree in Mathematics from Lakehead University, was first employed by the University as Research Assistant, Office of the President, in August, 1970. In July, 1972, she was promoted to the position of Institutional Research Officer. As of July 1, 1973, Mrs. Service has accepted the additional responsibilities of Assistant to the President.

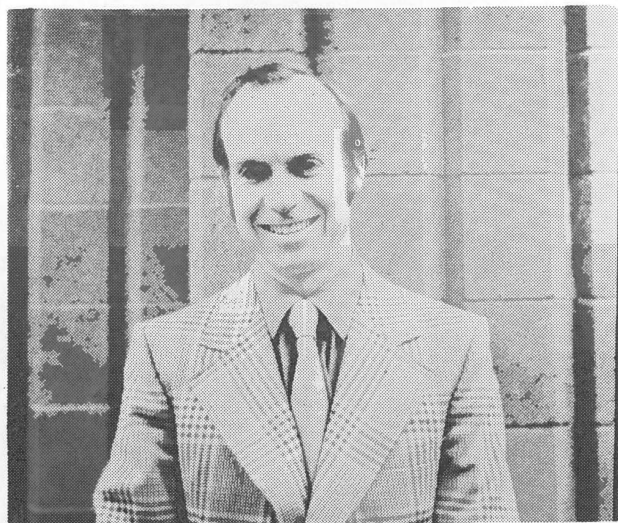

Mrs. Geraldine Service

As Institutional Research Officer, Mrs. Service is involved in the preparation of reports for senior administration, deans, Senate and its committees, as well as for some government departments and external agencies. She is currently working, along with others, upon the development of a University Management information system. As Assistant to the President, Mrs. Service will aid Dr. Booth as required in discharging his duties and responsibilities.

Assignment Completed

Harry D. Elmslie, Associate Professor in the School of Business Administration, Lakehead University was invited by the Institute of Chartered Accountants of Ontario to teach at its June Summer School in Toronto. All chartered accountancy students in Ontario who have completed the Institute's required educational programme of 45

Prof. Harry D. Elmslie

semester hours of study in accounting, auditing, taxation and related subjects were eligible to attend. If a satisfactory grade is obtained at the School, a student is permitted to sit the final examinations of the Canadian Institute of Chartered Accountants. Professor Elmslie also taught at the School in 1971.

Summer Hours

Commencing July 3, 1973 and continuing until Friday, August 17, 1973, the Library hours will be as follows:

Monday to Friday	- 8:30 a.m. to 12:00 Midnight
Saturday	- 9:00 a.m. to 5:00 p.m.
Sunday	- 2:00 p.m. to 10:00 p.m.

N.B. On August 6, 1973, the Library will be closed.

Nor' Wester Hopefuls

- Brian Peters a former all Canadian basketball player at Dalhousie University will attend Lakehead University where he will be seeking a bachelor of education degree.

Peters has been out of University for a year but was a member of the men's national senior championship team this year. Peters served as Captain and was the second highest scorer with an 18 ppg average.

In addition to his 'on the court' achievements Peters has been involved with wheelchair sports for three years. In 1972 he coached the Nova Scotia wheelchair basketball team to the National Championships. During 1972 he coached the Canadian Paralympic team in Germany. This summer Peters is coaching the Canadian team at the World Championships in England.

Brian is twenty-three years old, six feet four inches and 192 pounds.

Brian Peters will no doubt be of benefit to our community as well as to the University. He will make his mark on the Lakehead basketball team in that one year.

- Lester Barkman, a 1972 graduate of Bedford Road Collegiate in Saskatoon Saskatchewan, has announced his intentions to enroll at Lakehead University in September.

Barkman will bring an illustrious record with him to the Nor'Westers next season. In addition to leading his team to the Provincial championships he is the only player to ever compete in four Provincial finals. After being his team's most improved player in 1970 he was team captain, M.V.P., leading scorer, and leading rebounder in 1971 and '72. In addition to his outstanding physical skills Barkman was voted Bedford Roads most sportsmanlike player with ability.

After taking a year off to work in B.C. Barkman will enter first year and study either Geography or Physical Education.

According to Coach Howard Lockhart, "Lester is 6'5" and over 200 lbs. He could play bigger than he is because of his strength. It will take a while to get back into condition but he could help in his first year. We feel fortunate to land a player of this caliber who has one of the best records to ever come out of Saskatchewan. We have been getting a lot of inquiries this year from all across Canada."

Director Honoured

Mr. Glen Davies, Assistant Executive Secretary of the National Association of Intercollegiate Athletics (NAIA) announced today that George Birger, Director of Athletics at Lakehead University has been appointed as President of the NAIA Ice Hockey Section and also a member of the NAIA Board of Directors. This appointment is for a term of two years, 1973-74.

Mr. Birger was also named to the National Ice Hockey Tournament Committee. Other tournament members are Dr. Vic Weber, Bemidji State College, and Mr. Mertz Mortorelli of the University of Wisconsin, Superior.

Mr. Davies complimented Mr. Birger for his many years of service to the NAIA. He also stated that Mr. Birger did an outstanding job as Director of the 1973 Ice Hockey Tournament which was held in Thunder Bay. "Financially and artistically it was our finest hockey tournament" said Davies, "and I can lay the credit for both at your door step."
