WE'RE ON THE MOVE

Summer Heat Edition

A note from the President of the Board

The agency has just passed through a very busy winter and spring which included staff changes and searches for new office space. As many of you know the search was successful. Renovations are under way and we move July 20. Unfortunately not all the renovations will be finished until well after the move. We will have to manage without a board room, a classroom/workshop space, and storage space for a couple of months. The good news is that there is more space and Glenna's office will be sound-proof.

Thank to all staff and volunteers who worked so hard and accomplished so much over the last few months.

The agency has an on-going commitment to work together with all individuals and to provide the best possible services for everyone.

I urge anyone who has questions or issues of their own to contact us or come in and talk to us.

Terry Bryant

ACT-B thanks *the Nylons* for donating 10 of their concert tickets for local PLWAs.
