

Ruth Tye McKenzie

Born in Edmonton, Ruth is a silver medal graduate of the Ontario College of Art, and has been working and exhibiting for over thirty years. Acrylic paint, large canvases, combining NUDE forms and LANDSCAPE forms to express . . . "Things are not always what they appear" is the essence of her recent work.

Lakehead University commissioned one such piece to celebrate their Silver Jubilee in 1990. Ruth is a founding member of Artists North of Superior and owner of the Painted Turtle Art Shop in Thunder Bay.
