NLTC Workshops

NLTC 2011 Summer Workshops

Workshop A - An Introduction to Practicum Planning - Florrie Sutherland

In this workshop, practicum planning and preparation for student teaching is discussed. The importance of student conduct and expectations of the Native Language teacher candidates are presented. Practicum evaluation forms that are going to be used for student teaching are discussed in detail. Lesson planning samples are shared and the participants will have the opportunity to create a lesson plan using the Ontario Native Languages Curriculum Grades 1-8.

Workshop B – Assessment and Evaluation – Jenny Pert-Wesley

Students will be introduced to various methods of assessment and evaluation in Native Language; templates for the various methods will be shared. Students will look at the Native Language curriculum document in order to ensure proper division of teaching time between oral, reading and writing instruction. Differences in assessment and evaluation and when to use each will be discussed. Multi-grade level assessing and multi-strength assessing will also be discussed. Students will also be invited for input as to effective methods of assessment and evaluation they have had success in.

Workshop C – Library Skills – Gisella Scalese

In this workshop you will learn to use the library catalogue, databases and indexes to find the best library resources for all levels of this program. You will learn to access the online resources through the library website and how to find useful websites on the Internet.

Workshop D – Basic Computer Skills – Lucas Johnson

Upon completion of this workshop students will have a general knowledge of how to use a computer, settings and operations, and how to use the common programs, such as MS Word, including tables, Internet browsers, and MS Powerpoint, effectively. Students will also understand the directory structure and how to save documents into flashdrives or to other particular directory in a hard drive.

Workshop E - Classroom Management – Shanlee Linton

This activity-based workshop has two objectives: how to present and how to respond to discipline problems in the classroom. Using co-operative learning strategies, participants explore the attributes of effective teaching. At the end of the session, you will have developed many useful ideas for use in your own career in education.

Workshop F - Ontario College of Teachers

The representatives from the Ontario College of Teachers will discuss the operations and function of the College. They will also present the OCT registration procedure for the teacher candidates. There will be a question and answer period after the OCT presentation.

EXTRACURRICULAR ACTIVITIES

Extracurricular activities are incorporated to enhance your experience at NLIP. Long-standing events include potluck on Monday evenings and craft sales on Wednesdays. There will be additional activities depending on demand. A calendar is provided at the back of this handbook and notices will be posted.

Have fun, but plan your time accordingly to allow sufficient time for your studies. ☺

RESIDENCE

NLIP Residence is here to provide you with a living environment that is close to classes, safe for students and their families, and conducive to your academic success. NLIP Residence is responsive to your individual and collective preferences, needs, and concerns. Some of the criteria we look at when planning your living arrangements are individual preferences for roommates, the community you are from, your dialect spoken, your program year level, and your preference for living in an alcohol or children free environment. Move-in and move-out assistance will be available for the elderly and physically challenged students/instructors.

In NLIP Residence you can bring your family, live and study with others from your own community and get to know or catch up with students from other communities. If you are

unfamiliar with Lakehead University or Thunder Bay, NLIP Residence staff can help direct you to where you need to get to, either on campus or around town.

Residence staff will:

- Let you back into your room if you are locked out
- Enforce the noise and curfew policy
- Submit work orders to LU maintenance staff for repairs
- Direct you to services on campus and around town
- Give first-aid, if necessary

Residence staff will not:

- Make repairs in your residence
- Make change for doing the laundry
- Set up or fix your computer, printer, etc.
- Babysit your children

Townhouses

Townhouses are four bedroom units. Each townhouse is fully furnished, complete with a full kitchen, storage room and patio. Each bedroom has a telephone and internet connection. Each kitchen has a stove/oven, refrigerator, and microwave oven. Each storage room is supplied with a vacuum, mop, bucket, broom, dustpan, and ironing board. Students must provide their own dishware and cooking utensils.

Smoking Policy

Lakehead University has adopted a Policy on Smoking in the Workplace and Public Areas. There are designated smoking areas in the parking lots. There is **absolutely no smoking in any rooms or buildings—including the residences.**

Cultural Protocol Policy

Through this policy, the Lakehead University Aboriginal Management Council respects and supports the on-campus, Aboriginal, cultural and spiritual practices associated with the use of the four sacred medicines. The Council recognizes and supports Aboriginal traditions practiced on campus by Aboriginal students, faculty and staff in classrooms, student gathering places, offices, cultural events and meetings.

The authority for this policy flows from the 'Smoking on Premises' policy where an exception has been noted in item Procedures – 8: "Accommodate the use of tobacco or related substances in connection with culturally significant celebrations formally conducted on campus by members of the Aboriginal community. The Vice President, Administration and Finance, has responsibility for implementing the University's Cultural Protocol Policy.

Effective August 6, 2004, Lakehead University will permit the on-campus use of the four sacred medicines in connection with Aboriginal spiritual practices at cultural and educational events, meetings and relevant classroom presentations.

Procedure:

1. The four sacred medicines include: Tobacco, Sage, Sweetgrass and Cedar. Products associated with Aboriginal spiritual practices from other Aboriginal cultures are included.
2. Aboriginal students, faculty, staff, Elders and cultural teachers are free to use tobacco or related products to conduct individual or group, traditional spiritual practices such as: Opening/Closing prayers, Individual or Group Smudging; Feasts; Sacred Circle Ceremonies; Pipe Ceremonies; Sweat/Moon Lodge Ceremonies; Pow Wows; Aboriginal Drumming/Singing, etc.
3. Notice and Publication: Whenever possible, public events will be posted on the Aboriginal Connections website advising the university community of events that will involve the exempted use of traditional medicines.

These notices will be sent to Lakehead University Security to advise them of the upcoming activity and flow through the office of Associate Vice Provost, Aboriginal Initiatives.

4. Responsibility for the safe and appropriate use of the four sacred medicines rests on the user and participants.

Compliance

Aboriginal students, faculty and staff are expected to provide two weeks notice, to inform the university community of events that will include the use of tobacco or related products.

Alcohol Policy:

<http://policies.lakeheadu.ca/policy.php?pid=46>

NLIP Residence does not restrict the consumption of alcohol by our students provided it is done in a legal and respectful manner.

No alcohol related activities should be a cause for concern to other students in residence who choose an alcohol-free lifestyle for themselves **and their children**.

That being said, alcohol related incidents do occur, and, depending on the severity

- NLIP Residence staff will respond to complaints where the consumption of alcohol is involved and will issue one verbal warning
- Subsequent complaints will involve LU Security and a written warning.
- The student and/or guest(s) involved may be trespassed from campus.
- The student may be evicted from residence.
- The student may be removed from the NLIP program.

Noise

In the evenings noise levels are to be kept to a minimum as students will be studying and children will be in bed in adjacent townhouse units. If noise levels are an issue the tenant(s) will receive a verbal warning and then a written warning if noise levels are not adjusted.

Guests of Residents

Guests of NLIP students are expected to adhere to the same rules as residents, particularly with respect to smoking, alcohol, and noise policies. Any guest found to be violating these policies, damaging property, or behaving in a manner that is of concern to other residents or residence staff, on campus or in residence, will be asked to leave campus property immediately. Failure to comply may result in trespass from the Lakehead University campus, involvement of LU Security and/or the Thunder Bay Police. Any damages to residence are ultimately the responsibility of the student(s) assigned to that unit and the cost of repairs will be assigned accordingly.

Overnight guests

For reasons of safety, security, and in the event of an emergency, Residence staff must be made aware of any overnight guests. Out of respect for the others in your townhouse it is advisable that you also notify them as well, perhaps first. If any other resident in the townhouse is not comfortable with either the prospect or the reality of your overnight guest your guest will need to make other arrangements.

Keys

In the event that a student/instructor, or their dependent, misplaces or does not return their keys, there will be a charge for a lock change and key replacement. The charges for lost keys are as follows: \$75 for a lock change; \$15 for front door key, \$15 for laundry room key, \$15 for bedroom key, totaling \$120.

For security reasons lost keys must be reported immediately and unauthorized duplication of keys is not permitted.

Lock-Outs

If at any time you are locked out of your room contact the NLIP Residence staff, @ Silver Islet #7, 343-8888 ext. 5379.

Laundry Facilities

Please Note Residence Staff will not be giving out change for laundry Please make your own change Thank you

Laundry change can be obtained from:

- Money changers are located in the tunnel (where the Corner Junction Variety Store in the Agora)
- The Junction Variety Store will give change as will the Bookstore.
- There is one in the Bora Laskin Lounge (upstairs) that only gives out loonies.

Washers and dryers are available at a cost of \$2.00 for washing and \$1.50 for drying. Students/instructors will be required to provide their own detergent, softener, etc. Ironing boards are provided for your convenience in all townhouse storage closets.

NOTE that the use of the laundry facilities is at your own risk.

The Residence staff or NLIP will not be responsible for damaged, stolen, or lost articles of clothing. All laundry machine refund requests are to be made through the Bartley Residence Front Desk, extension 8485.

Telephones:

Each occupant is responsible for their phone and will be charged a replacement fee of \$300.00 if the phone is irreparably damaged. If telephone problems are experienced NLIP residents can contact Residence staff at Silver Islet #7 and a work order will be placed. Do not change the locations of the phones since they operate on a network and internet based telephony system. Each phone is programmed for a particular room and will operate only in that room. Students are requested to keep children from playing with telephones.

In recent years, children have unnecessarily called 911—which results in a \$35.00 service call charged to the NLIP program by Security Services. The student/parent will be billed for any unnecessarily incurred cost(s).

Long Distance

Phones in Residence are not equipped to make long distance calls. Phone cards can be purchased at any local convenience store, including the on campus convenience store, The Junction, x8925. Directions to use the phone card are printed on the back of the card.

Garbage and Recycling

A garbage bin is located beside the laundry facility in Phase III. The schedule for garbage pick-up is Monday, Wednesday, and Friday. Please put garbage bags **inside** the bin, not beside it, and close the lid to discourage any interest from bears and birds.

Please do not leave bags of garbage outside your townhouse. There will be a charge of \$25 per bag for removal of garbage left on the doorstep or in the yard.

There are blue recycling boxes located in the storage room of the residences. These blue boxes are to be used for recycling materials only. Instructions are posted inside the townhouse storage rooms.

For Your Safety

For your safety, and the safety of others, the following policies and procedures were created.

Where you live:

- Keep your room door locked at all times when unoccupied.
- Do not allow strangers into your designated townhouse.
- Keep furniture and other flammable materials away from radiators and heaters.
- Equipment/appliances beyond that supplied (air conditioners, etc.) are not permitted.

- Halogen lamps, immersion heaters with exposed elements, microwaves, and hot plates are not allowed in residence bedrooms.

- Report all power outages to the Residence Staff at Silver Islet #7 who will inform Residence Front Desk.

*NOTE: The University does not hold insurance policies on the property of any student. The University is not responsible for lost, stolen, or damaged items.

2. Thoroughly clean your units prior to leaving.
3. Take the trash and recyclables to their respective bins.

Housekeeping, Repairs, and Maintenance

Due to excessive housekeeping and maintenance costs in the past, NLIP students residing at Lakehead University residence will be billed for **all** housekeeping and maintenance expenses.

THIS WILL AFFECT YOUR ELIGIBILITY FOR FUTURE ENROLLMENT IN THE NATIVE LANGUAGE INSTRUCTORS' PROGRAM!!

There will be weekly inspections of residence common areas in order to assign costs, if any. These will be done on weekends so the student may be present during the inspection.

Damages to individual rooms will be charged to the student responsible for that room.

Expenses for housekeeping or maintenance to townhouse common areas will be divided between students residing in that unit.

ANY OUTSTANDING CHARGES OWED BY YOU, THE STUDENT, MUST BE PAID IN FULL BEFORE YOU WILL BE CONSIDERED ELIGIBLE FOR FUTURE ENROLLMENT!!

USED CLOTHING/FURNITURE STORES

There are plenty of these around Thunder Bay. For the best bargains it is best to look around. There are several bargain stores along Simpson and Cumberland Streets. When buying used furniture make sure all pieces are there, check it out thoroughly and make sure it all works first. Most people are generally approachable so try to bargain with them a little bit (It doesn't hurt to try).
