AS
President and Vice-Chancellor of Lakehead University

AND
THE GRANTING OF DEGREES AND DIPLOMAS
SATURDAY, NOV. 18, 1972
AT 2:00 P.M.

OUR GUEST THIS AFTERNOON

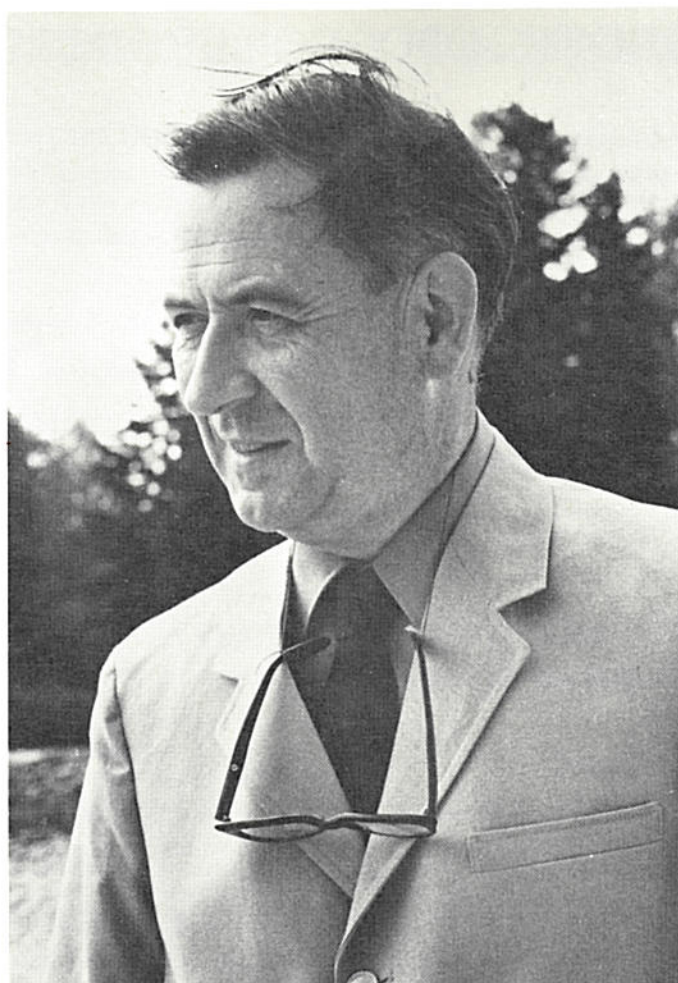

We are honoured to have as our guest this afternoon a distinguished Canadian scientist and educator, John William Tranter Spinks, CC, MBE, PhD, DSc, LL.D., FRSC, President and Vice-Chancellor, University of Saskatchewan.

Born in Methwold, England, January 1, 1908, son of John William Spinks and Sarah Jane Spinks. He was educated at Thetford Grammar School; and King's College, London, England, where he received his PhD and his DSc degrees.

Dr. Spinks came to Canada in 1930 as an Instructor at the University of Saskatchewan. In the course of a long and distinguished career, he was successively Assistant Professor, Full Professor, served with the R.C.A.F. as Research Officer, and later worked as a Research Scientist at the Atomic Energy Projects at Montreal and Chalk River, and then returned to Saskatchewan as Head of the Department of Chemistry, Dean of Graduate Studies, and eventually in 1959, as President and Vice-Chancellor — a post which he still holds and is thus the Dean of Canadian University Presidents.

Dr. Spinks is the author of numerous scientific papers and of several books. He has been a member of the National Research Council and of particular importance and relevance to the Ontario University scene, was Chairman of the Spinks' Commission to Study the Development of Graduate Programmes in Ontario Universities in 1966.

Dr. Spinks must be almost unique as a University President in Canada who still conducts personal research. In addition to this he has been noted, in Saskatchewan at least, for his humorous rhymes which, from time to time, he constructs for appropriate occasions.

ANDREW DONALD BOOTH

BSc, PhD, DSc, MEIC, FIERE, FInstP, (Hon) FIL, FRSA, FRMS
