

Lakehead University

DEDICATION OF THE TIM RYAN BUILDING, SATURDAY, NOVEMBER 18, 1972.

Timothy J. Ryan

B.A., B.COM., M.A., M.B.I.M., F.R.ECONS., F.C.I.S.

Tim Ryan, as his friends knew him, was born in Caherline, Co. Limerick, Ireland, in 1918. He received his B.A. and B.Com. degrees from the National University of Ireland, at Dublin, and his M.A. in Economics and Education from Harvard University.

Dean Ryan first began his career in education as a teacher at St. Michael's, Enniskillen, Co. Fermanagh, Ireland; from 1944 to 1952 he taught economics, history and geography in Cardigan Grammar School, Cardigan, Wales and from 1957 to 1962 he headed the Department of Social Sciences at the same school. In 1952 he emigrated to Canada, where he joined the teaching staff of the Ryerson Polytechnical Institute in Toronto. He later added to his teaching career by assisting the Saskatchewan Provincial Department of Education in its programme of community development, for which he wrote a practical manual, and also published his history of Melfort, the town in which he lived. In 1962 Dean Ryan returned to Canada as Head of the Division of Management Studies, Department of University Extension, at the University of Manitoba; he also served as Director of the Evening Institute Division, 1963 to 1965.

In 1968, Professor Ryan was named Dean of Arts and Professor of Economics at Lakehead University, and during his four years at the University he was particularly active in the areas of programme development and interdisciplinary studies. He also served as Vice-Chairman of the Board of Governors of Confederation College of Applied Arts and Technology, and was an active supporter of cultural activities in Thunder Bay, including the Lakehead Symphony Orchestra. He was a Fellow of both the Royal Economic Society and the Chartered Institute of Secretaries and a member of the Canadian Industrial Management Association, the Canadian Association for Adult Education, and the British Institute of Management.

Dean Ryan was predeceased by his wife, the late Iris Jean Richards. He is survived by a brother, Denis Ryan of Limerick, Ireland; and at the time of his illness and death he was engaged to marry Miss Iris Torfason.

Dean Ryan's fine intellect was matched by qualities of personality. He had an outstanding gift for friendship, manifested in a loyal, warm hearted, gregarious and outgoing nature which nonetheless could not conceal from those closest to him a deep sensitivity of spirit.

OUR GUEST THIS AFTERNOON.

We are honoured to have as our guest this afternoon a distinguished Canadian scientist and educator, Hugh Hamilton Saunderson, B.A., M.Sc., Ph.D., LL.D., D.Sc., F.C.I.C., President Emeritus of the University of Manitoba.

Born in Winnipeg, Manitoba, November 23, 1904, son of Hugh and Lina Saunderson, both of Manitoba. Dr. Saunderson was educated at Mulvey and Kelvin Schools in Winnipeg, the University of Manitoba; and McGill University; receiving his B.A. and M.Sc. at Manitoba and his Ph.D. at McGill. He has received Honorary degrees from the University of Alberta, Saskatchewan, Winnipeg, and McGill.

In 1932 Dr. Saunderson was appointed to the University of Manitoba staff as a lecturer in Chemistry; Research Chemist, Canadian International Paper Co., Hawkesbury, Ont., 1933; Assistant Professor, University of Manitoba, Winnipeg, 1934; Associate Professor, 1941; Dean of Arts and Science, 1945; Director, Division of Information Services, National Research Council, Ottawa, 1947; President of University of Manitoba in 1954. He retired from this position in 1971.
