ROBERT JAMES PRETTIE

DOCTOR OF COMMERCE
(honoris causa)

Robert J. Prettie was born in Guelph, Ontario, in 1906. His family moved to Calgary, Alberta, and it was there, that he completed his elementary and secondary school education; he went on to study Commerce and Finance at the University of Alberta, Edmonton.

In 1929 he joined the Sales Department of the Alberta Wood Preserving Company, Calgary and in 1932, he became Assistant Sales Manager of the Vancouver Creosoting Company. He returned to Calgary in 1935 as the Prairie Sales Manager of the Canada Creosoting Company Limited, and in that same year he became President of the Northern Wood Preservers Limited and its subsidiaries, a position which he held for thirty-five years. He became Chairman of the Board in 1971, retiring on December 31, 1971.

Dr. Prettie, has been an active member of the business community since he arrived in Port Arthur in 1935; now in his 74th year he is still active.

He has served as chairman or president of such organizations as the Northern Development Committee of Ontario Economic Council, the Ontario Forest Industries Association, the Port Arthur Chamber of Commerce, the Northwestern Ontario Associated Chambers of Commerce, the Northwestern Ontario Development Association, Lakehead Videon and the Port Arthur Golf and Country Club, at various points in his career. He has also served in the capacity of chairman and director of many local and regional civic associations. He retired from the chairmanship of the Lakehead Harbour Commission in 1978.

Dr. Prettie's association with Lakehead University dates back to 1962 when he was first elected a Governor of the Lakehead College of Arts, Science and Technology. In 1967, he served as chairman of the University's Building Fund drive, and it was largely through his efforts and those of former Board member John N. Paterson, both of whom took more than a month off from their own busy schedules to stump the country in search of funds, that more than \$3,600,000 was raised during the campaign. The outstanding efforts of those concerned citizens, was a major factor in convincing the Ontario Government to construct the present Lakehead University buildings. He was chairman of the Board of Governors of Lakehead University from 1971 to 1973.

In July of 1977, Dr. Prettie retired from the University's Board of Governors after serving continuously, in one capacity or another, on the Board for fifteen years. Now seven years after his retirement from business Dr. Prettie continues to serve as a director of a number of Lakehead companies, and is on the Advisory Board of the Royal Trust and the Board of the Ontario Cancer Treatment and Research Foundation. In May 1978 the University conferred the degree of Doctor of Commerce (honoris causa) on Robert Prettie for his outstanding service.

Dr. Prettie and his wife Laura have two daughters Audrey, Mrs. William Neish, and Susan, Mrs. William Crerar, both of whom live in Toronto. The Prettie's have six grandchildren.

JOHN ANDREWS

John Andrews was born in Belfast, Northern Ireland in 1902 and emigrated with his family to Fort William in 1907. Mr. Andrews received his formal education in Fort William public schools and Fort William Collegiate Institute, and was employed in the grain industry for many years. He married Rheta Sarah Graham in 1927, a graduate nurse and surgical floor supervisor of McKellar General Hospital.

After about 18 years with the Western Grain Company, Mr. Andrews established the Northland Machinery Supply Company Limited in 1938. He eventually expanded this operation to include branches in Sault Ste. Marie and Vancouver, with in excess of 300 employees. In 1967, Northland was presented with the Centennial Achievement Award for outstanding contributions to the economic growth of the province of Ontario.

While building his business on a motto of "service", Mr. Andrews also gave his time to the community and the country, serving with associations and commissions devoted to the economic development of Northern Ontario. In 1962 he was appointed to the Lakehead Harbour Commission, serving as chairman from 1967 to 1969, and again from 1975 to 1977. As vice-president of Twin City Gas Limited, he was active in bringing natural gas to the Lakehead, and continued later as vice-chairman of the Thunder Bay Advisory Board of Northern and Central Gas Limited.

When the Northern Ontario Development Corporation was established in 1970, Mr. Andrews was the original chairman. Since inception, the N.O.D.C. has authorized in excess of \$80 million in loans and grants to industry and individuals for the economic development of Northern Ontario, creating at least 5,000 permanent jobs and an estimated 10,000 or more supplementary, or temporary, jobs.

During his years of service to the community, Mr. Andrews was a member of the Lakehead University Board of Governors, and the Executive Committee of the Board. He was actively involved in the highly successful Lakehead University Fund Raising Campaign in 1966, as chairman of the Western division of the project.

Mr. Andrews has also contributed to the community as president of the Fort William Country Club, the Fort William Chamber of Commerce (1952-53) and the Northwestern Ontario Associated Chambers of Commerce (1968). He was one of three members of a federal advisory group to the Task Force on New Canadian Ports Policy from 1973 to 1977, an active member of the advisory board of Guaranty Trust Company of Canada, a senate member of the 18th Service Battalion, and active in the activities of the International Association of Great Lakes Ports.

In 1966, the national magazine, Trade and Commerce, recognized Mr. Andrews contributions when they named him "Man of the Month". He was a recipient of the Canadian Centennial Medal in 1967, received the Loyal Order of Moose citizen of the year award in 1973, and was presented with an honorary life membership in the Canadian Ports and Harbours Association in 1978. In 1979, he was named honorary vice-president of the Order of St. John, Thunder Bay branch.

In recognition of his many contributions, Mr. Andrews is regarded as "one of the builders of this area"; his accomplishments and his life described as "an unparalleled success story". Perhaps the late Alexander Phillips said it best when he paraphrased a familiar quote to describe his colleague as, "a man who can walk with kings and keep the common touch — John Andrews is special".

BENJAMIN COWAN,
B.A.SC., M.A.SC.

Benjamin Cowan was born in Fort William, Ontario on the 3rd of May 1911. After attending primary and secondary school in Port Arthur he went on to the University of Toronto, where he studied engineering, receiving his B.A.Sc. in 1932 and his M.A.Sc. in 1933.

Mr. Cowan worked in Northern Ontario and Northern Quebec in the wood industries in logging operations, timber cruising and the Ontario Forestry Service from 1927 to 1936. From 1936 to 1942 he worked in Northern Quebec paper mills on paper machine operations, and in mill engineering services.

In 1942 Mr. Cowan enlisted in the Army and served overseas in the Mediterranean and Northwest European theatres until the end of the war with the 1st Canadian Medium Artillery Regiment, with the rank of Lieutenant.

The Cowan organization was formed, as a partnership of Eli Cowan and Ben Cowan in 1946, to provide consulting and engineering services to the Pulp and Paper Industry. Both principals worked in paper mills and design offices in the United States and Canada, with backgrounds extending from mill operations through to wood supply and logging.

Ben and Eli Cowan have been responsible for the invention and the development of a number of patented machines in general use in the Paper Industry throughout the world. The licensee for the Cowan patents uses the advertising slogan that over half the world's paper is processed on Cowan screening equipment. Their patents include the: Cowan Screen; Cowan Thickener; Cowan Bark Press; Cowan Stock Proportioner; and the Cowan Pulp Stock Agitator.

The technical papers which Mr. Cowan has had published include original theories on Paper Making Sheet Formation, Paper Drying, Heat Exchange Devices and also Engineering Education.

The consulting firm of E. & B. Cowan conducts an international business and has worked on plants in most of the paper-making countries around the world

HUBERT BADANAI

Hubert Badanai was born in Azzano, Italy in 1895 and arrived in Canada in 1913. He received his education in various schools in Italy, Germany and Canada. He married May Checkley from Sheffield, England, and has four children and thirteen grandchildren.

During the first world war, Mr. Badanai served overseas with the Canadian Army, and was attached to the Canadian Record Office in London, England (1919). He served in the Canadian Army Reserve during World War II.

In 1922, Mr. Badanai established an automotive business in Fort William, and is still active as president and general manager of Kam Motors Limited in Thunder Bay.

Throughout a long and distinguished political career, Mr. Badanai served nine years as an alderman, and eight years as Mayor of the City of Fort William, and was initially elected to the House of Commons in 1958. He was re-elected as a member of parliament four times between 1962 and 1968. He was a member of several committees of the House of Commons, including Veteran Affairs, Housing, Urban Development and Public Works, Railway and Airlines, Indian Affairs, Human Rights, and Citizenship and Immigration. In 1963 he was appointed Parliamentary Secretary to the Minister of Public Works, and became Parliamentary Secretary to the Minister of Citizenship and Immigration in 1964.

Mr. Badanai has been actively involved in the local community as president of the Fort William Chamber of Commerce, the Thunder Bay Automobile Dealers Association, the Fort William Rotary Club, the Canadian Club of Fort William, the Fort William YMCA, and Past District Deputy of the Knights of Columbus. He has recently served as chairman of the Grace Remus Memorial C.A.T. Scanner Fund Drive.

In recognition of his contributions, Mr. Badanai was awarded a fellowship in Rotary International, and was named citizen of the year by the Loyal Order of the Moose. A distinguished citizen award from the people of Azzano, Italy was recently presented to Mr. Badanai by local citizens.

Throughout his years of service, Mr. Badanai has devoted much of his personal attention to the adjustment of ethnic groups to the Canadian way of life. The time and effort he has, and is, contributing to community endeavours is appreciated by all.

SENATOR NORMAN McLEOD PATERSON

KG, StJ, LLD, DCL, FRCGS

Representatives of the Lakehead University community, and of the City, are present today to participate in honouring the First Chancellor of the University.

Although Senator Norman McLeod Paterson has not held permanent residence in Thunder Bay since accepting his Senate appointment in 1940, his presence continues to be felt in the massive shipping industry which he has been instrumental in founding and maintaining since first arriving in the Lakehead in 1908.

Born in Portage la Prairie, Manitoba, 3 August, 1883, Senator Paterson was educated in the local public school and at the Wellseley School in Toronto. He began his career with the Manitoba Railway and Canal Company in 1897, later joining the Great Northern Railway of Canada as telegrapher and rising to the position of purchasing agent before resigning in 1903 to go into the grain business with his father.

In 1908, he founded and organized N.M. Paterson and Company, Limited, now succeeded by N.M. Paterson and Sons, Limited, owners and operators of a large number of grain elevators in Ontario, Manitoba and Saskatchewan, as well as many freighters on the Great Lakes. In addition to his business accomplishments, Senator Paterson has been responsible for considerable public contribution in Thunder Bay. He was alderman of the City of Fort William in 1919. He helped organize the Canadian Club and the Fort William Ski Club. He donated his home to McKellar Hospital in Fort William and a Cobalt Bomb Installation to Port Arthur General Hospital. Even in his absence he has continued his active citizenship to the point of donating a park and municipal parking area, as well as contributing substantially to Lakehead University.

Since accepting his appointment to the Senate in 1940, he has continued his strong citizenship in Ottawa. His numerous donations to Carleton University have been instrumental in the development of many new buildings, programmes, and student awards. He served as a member of the Board of Governors at Carleton for many years; and in 1959 they honoured him with an honorary doctorate. He was the recipient of the first honorary doctorate awarded by Lakehead University, a Doctor of Civil Laws, in 1973.

Senator Paterson continues to have far-flung business and community interests and responsibilities. He is president of Western Engineering Service, board chairman of the Royal Edward Hotel; past-president of both the Canadian Club of Canada and the Victorian Order of Nurses. He is a patron of the Ontario Federation of Anglers and Hunters, as well as the Orpheus Operatic Society.

He was appointed Knight of the Order of St. John by King George VI in 1945. He married Eleanor MacDonald in 1915, and has six children.

The Lakehead University Board of Governors, Senate, Faculty Association and Student Union are honoured to have this opportunity to register the appreciation of all segments of the University for the many years of support Senator Paterson has so unselfishly afforded Lakehead University, including the years he spent as the First Chancellor, by naming the University Library the Chancellor Norman M. Paterson Library.

LIBRARY NAMING CEREMONY

The ceremony naming the Library will take place at the University Library following the afternoon Convocation.

Chancellor's Welcome

Introduction of the Chairman of the Board of Governors.

Citation on the First Chancellor

Dr. Frank J. Lone, Chairman of the Board of Governors.

Introduction of Mr. John N. Paterson

Dr. Robert J. Prettie, Chancellor.

The Response to the Citation

Mr. John N. Paterson, Fellow of Lakehead University.

Closing Remarks

Dr. Robert J. Prettie, Chancellor

AT THE CLOSE OF THE CEREMONY A CHANCELLOR'S RECEPTION WILL BE HELD IN THE AGORA
ALL ARE WELCOME

CEREMONY OF ADMISSION TO DEGREES

The Graduating Classes will enter Convocation Hall in procession under the guidance of their marshals and will stand before the seats reserved for them.

The audience will rise when the Senate, the Board of Governors, the Platform Party, including the President and the Chancellor, enter the Hall and will remain standing through "O Canada", the Invocation, until the Chancellor declares the "Convocation Open".

* The Installation of Dr. Robert James Prettie, as the third Chancellor of the University, will be followed by an address by the Chancellor.

On the conclusion of the Convocation Address, the President will present to the Chancellor, the Chairman of the Board who will present the candidate for the Honorary Fellowship of the University.

The candidate will stand facing the Chancellor during the reading of the citation.

The Chancellor will confer the title of the University on the candidate.

The President will request the members of the Graduating Classes to rise in their places, and when they have done so, will address the Chancellor as follows:

Mr. Chancellor, will you admit these graduands.

The Chancellor will reply as follows:

By virtue of the authority vested in me, I admit you as degree and diploma graduates of Lakehead University.

The members of the Graduating Classes will resume their seats. Greetings and congratulations will then be extended to them on behalf of the University.

The President will then call on the presenters, in the order indicated in the programme; the presenters will call forward the various groups of candidates for degrees (and diplomas) and will read the names of the graduands present, one by one, in the order that each candidate is to advance and receive his (her) degree (diploma) at the hands of the Chancellor.

As soon as a candidate's name is called by the presenter he (she) will cross the platform and kneel upon the stool in front of the Chancellor; place his (her) hands within the hands of the Chancellor who will admit him (her) to the degree (diploma). The candidate will then rise and proceed across the platform, down the opposite steps, from those he (she) mounted the platform, receive his (her) degree (diploma) from the Registrar, and then return to his (her) seat.

After degrees (diplomas) have been conferred upon all candidates present, the President will present the University Secretary to receive the degrees on behalf of all absent candidates.

The Secretary will kneel on the stool before the Chancellor, and the Chancellor will confer the degrees upon all absent candidates through the Secretary of the University.

The Chancellor will bring the proceeding to a close by saying:

I hereby declare this Convention closed.

"God Save The Queen"

* MORNING CONVOCATION

* * The President will present to the Chancellor, the candidate for the honorary degree.

The candidate will stand facing the Chancellor during the reading of the citation.

On the conclusion of the reading, the Chancellor will confer the degree by pronouncing the appropriate formula and the recipient will be gowned and hooded.

The Honorary Fellow will then be presented, as outlined above, after which Dr. Cowan will address Convocation.

The balance of the programme is as outlined above.

* * AFTERNOON CONVOCATION
