Second Convocation for the Conferring of Degrees

WILLIAM GORDON TAMBLYN

B.A.Sc., M.Comm.

*The First President and Vice-Chancellor
Lakehead University*

Mr. W. G. Tamblyn was born in Toronto on April 9, 1923. He was educated at Upper Canada College, and at the University of Toronto, and received the degrees of Bachelor of Applied Science (Honors) and Master of Commerce (Business Administration).

In 1945 Mr. Tamblyn married Miss Marguerite McCavour of Fort William. After their marriage they lived for a year in China where Mr. Tamblyn was an administrator for the missions in that country of the Church of England in Canada.

From 1948 to 1952 Mr. Tamblyn worked in the Engineering Department of the Great Lakes Paper Company. In 1953 he joined the staff of Mills and Company, becoming the owner of the firm in 1962.

During these years he took an active part in the affairs of the community. He was Chairman of the Fort William Board of Education, Director of the Port Arthur Chamber of Commerce and President of the Lakehead Builders Exchange. However, his main interest has always been Lakehead College. He was appointed to the Advisory Committee of the Lakehead Technical Institute in 1953 and after continuous service as a director was elected Chairman of the Board of Governors of the Lakehead College of Arts, Science and Technology in 1963. Much of the rapid expansion of the College in that ten-year period can be attributed to his foresight and his interest and energy.

With the coming into force of the Lakehead University Act on July 1, 1965, Mr. Tamblyn assumed office as the first President and Vice-Chancellor.
