Lakehead University

Convocation 1992

Saturday, May 23, 1992 marks Lakehead University's twenty-eighth annual convocation for the conferring of degrees and diplomas. The word "convocation" means "calling together". It is a ceremonial meeting of the entire university community. On Convocation Day university members and their guests wear special attire based on a tradition that dates back as long as seven centuries ago. The academic costume, also referred to as academic "dress" or "regalia", had its origins in the ancient European universities. The regalia was devised to distinguish academic persons such as doctors, licentiates, masters and bachelors. In the middle ages they were worn as everyday attire. Gowns were a necessity because of unheated buildings and hoods were needed to cover the heads of medieval scholars.

There are many variations of academic dress. The hood, gown and in some cases the special hat (mortarboard) worn by an individual is determined by the style of the university where he or she received a degree. The colourful gowns and hoods of universities from across Canada, the United States, the United Kingdom and several other nations of the world are worn here today.

The academic dress chosen by Lakehead University is fashioned after that of the University of Oxford, the oldest English-speaking university in the world. The robes worn by the officers of the university - the Chancellor, who presides at convocation, the President (who is also the Vice-Chancellor) and the Chairman of the Board of Governors - are all of the Oxford cut and trim. Each has its own distinctive colour. The colourful gowns worn by the individuals who are receiving honorary degrees are of the same design as are the black gowns worn by the student candidates. The ritual at convocation reflects the medieval custom that anyone in a university could wear a gown, but a hood was the symbol of a degree. Students who have met the university's academic requirements (three, four or five years of study in particular subjects) wear the symbol of their status as holders of a Lakehead University degree. Lakehead University's bachelor's and master's

degree hoods are distinguished by a one or two inch colour border which indicates the degree acquired eg. white for Arts, drab for Commerce, blue for Education, burgundy for Nursing etc.

In addition to "earned" degrees, the university confers "honorary" degrees which symbolize the highest honour that can be conferred on an individual by the university. An honorary degree may be awarded in recognition of scholarly or creative attainments or distinguished public service to the country or region. They go to individuals who have been designated by the University's Senate, its senior academic governing body, as deserving special honour. At convocation the degree is awarded *honoris causa*, or "in the cause of honour". A hood is also given to the recipient and it may be worn to any academic affair. Recipients of these degrees become honorary alumni of the University and they may affix, after their names, the abbreviation of the degree. Two honorary degrees, the Doctor of Laws (LL.D.) and the Doctor of Music (D.Mus.) will be conferred in today's ceremonies.

The Board of Governors of the university also recognizes individuals who have contributed to the growth, development, welfare and well-being of Northwestern Ontario and of Lakehead University. This is done by the conferring of the title Fellow of the University. You will recognize university Fellows by their familiar blue gown with white velvet epitoge or scarf.

During the processional and the recessional the Marshal for convocation carries the Mace, a silver wand which is a traditional symbol of the university's authority. This mace was given to the university by the Alumni Association in 1971. It bears the university's motto *Ad augusta per angusta*, Achievement through Effort.

Today the university community celebrates its twenty-eighth annual convocation. Its members dress in clothes which are symbolic, not functional, and go through a centuries old ritual for the conferment of degrees and diplomas. We thank you for being present to share this special event with us.

Those wishing to take pictures of the graduates are most welcome to come forward to the left and right of the stage. To avoid congestion of that area, please wait until your particular graduate is ready to receive his or her degree before you come forward.

CONVOCATION

Saturday, May 23, 1992

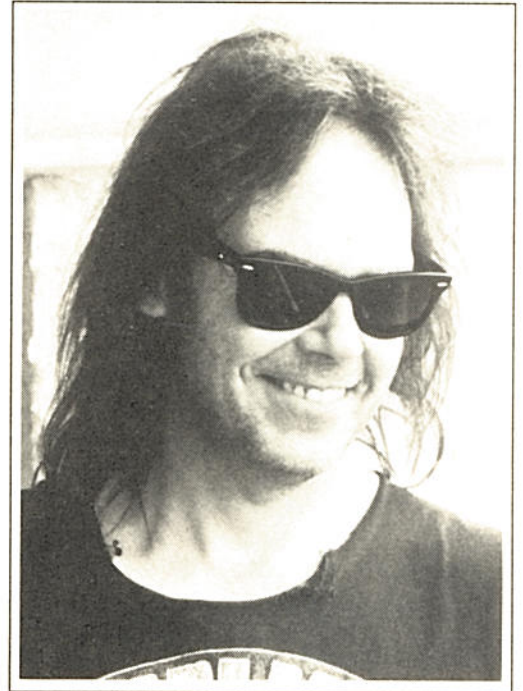

Thunder Bay Community Auditorium

**Afternoon Ceremony -- 2:30 p.m. for the Granting
of Degrees and Diplomas**

**TWENTY-EIGHTH ANNUAL CONVOCATION
FOR THE CONFERRING OF DEGREES AND DIPLOMAS**

NEIL YOUNG

Singer, Songwriter

Neil Young was born in Toronto in 1945, although he spent many of his formative years further west in Winnipeg. A self-taught guitarist, he appeared as a folk artist before forming his own band, Neil Young and the Squires, which became a Northwestern Ontario and Manitoba favourite between 1962 and 1964.

Relocating to Los Angeles in the mid-60's, Young was invited to join the band Buffalo Springfield by founding member Stephen Stills. The group, which disbanded after two years, was responsible for a number of folk-rock classics, including such Young originals as *Broken Arrow*, *Mr. Soul* and *I Am a Child*.

Over the next three years Young divided his time between a solo career and recording and performing as part of the superstar group Crosby, Stills, Nash & Young. For his second solo album, *Everybody Knows This Is Nowhere*, Young enlisted the band Crazy Horse, with whom he recorded such hits as *After The Goldrush* and *Harvest*.

Throughout the 70's Young continued to record a series of albums for which he received numerous gold record sales awards. Since then he has continued to consolidate his reputation as a world class concert performer. Neil Young was named Best Male Singer and Best Composer in 1971 and was inducted into the Canadian Hall of Fame in 1982.

During the 80's Young experimented in a variety of musical styles, from electronic rock to pure country to hardcore heavy metal. Most recently, he garnered critical and popular acclaim with his Crazy Horse reunion album *Ragged Glory*, which spawned another coast-to-coast tour.

Today, Neil Young remains one of the most unique and enduring artists in contemporary music.
