WELCOME TO LAKEHEAD UNIVERSITY'S 52ND CONVOCATION CELEBRATION!

Convocation is a traditional ceremony during which the University officially grants the degrees and diplomas earned by its students. The word "convocation" means "calling together." It is a ceremonial meeting of the entire University community.

Academic Regalia

On Convocation Day, University members and their guests wear special attire based on a tradition that dates back as long as seven centuries ago. The academic costume, also referred to as academic "dress" or "regalia," had its origins in the medieval European universities. The regalia were devised to distinguish academic persons as doctors, licentiates, masters, and bachelors.

There are many variations of academic dress. The hood, gown, and in some cases the special hat worn by an individual are determined by the style of the university where he or she receives a degree. The colourful gowns and hoods of the universities from across Canada, the United States, the United Kingdom, and several other nations of the world are worn at Lakehead University today.

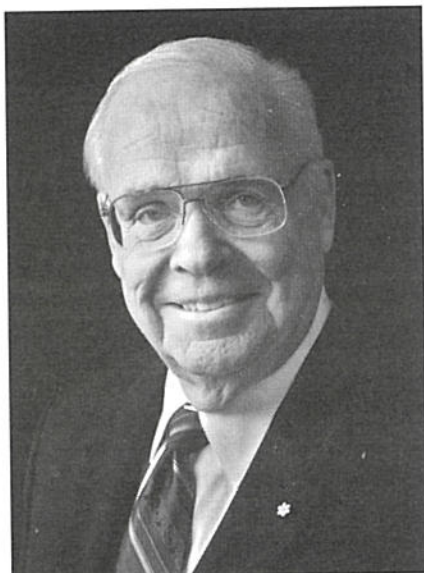

The academic dress chosen by Lakehead University is fashioned after that of the University of Oxford, the oldest English-speaking university in the world. The robes worn by the officers of the

University – the Chancellor, who presides at convocation, the President and Vice-Chancellor and the Chair of the Board of Governors – are all of the Oxford cut and trim. Each has its own distinctive colour. The colourful gowns worn by the individuals who are receiving honorary degrees are of the same design as are the black gowns worn by the student candidates.

The ritual at convocation reflects the medieval custom that anyone in a university could wear a gown, but a hood was the symbol of a degree. Students who have met the University's academic requirements (three, four, five, six or seven years of study in particular subjects) wear the symbol of their status as holders of a Lakehead University degree. Lakehead University's bachelor's and master's degree hoods are distinguished by a one or two inch colour border which indicates the degree acquired (i.e. white for Arts, gold for Science, blue for Education, burgundy for Nursing, etc).

The Mace

During the processional and the recessional, the Marshal for convocation carries the Mace, a silver wand which is a traditional symbol of the University's authority. This mace was given to the University by the Alumni Association in 1971. It bears the University's motto "Ad augusta per angusta", *Achievement through Effort*.

GREETINGS FROM THE CHANCELLOR

To Lakehead University's Class of 2016,

I am delighted to welcome you and your family and friends to celebrate your achievement at one of Canada's most exceptional universities.

You have come a long way and passed many tests for which you should be very proud. Graduating from university is a milestone you will remember forever, but it's more than that.

A university degree can change your life – that is probably the reason you dedicated yourself to the task.

Thank you for choosing Lakehead University and a special thank you to your supporters for understanding when you had to spend time on your school work.

Congratulations on your success and I wish you the best of luck.

Sincerely,

Dr. Derek H. Burney, O.C.
Chancellor
Lakehead University

GREETINGS FROM THE PRESIDENT AND VICE-CHANCELLOR

Dear Lakehead University Graduates,

Convocation is a day you will remember for the rest of your life.

It is a chance to celebrate your accomplishments with the people who supported you throughout this journey, and to look ahead to your future goals and plans.

Today is not just about walking across the stage to accept your degree – this is a celebration of your hard work. Now you must choose how to apply the knowledge and skills gained from your time at Lakehead University.

A Lakehead University education has helped shape you to become the person you are now.

I congratulate you on this exceptional achievement and thank you for choosing Lakehead. You are one of more than 55,000 alumni around the world who have become exceptional and unconventional through your dedication at Lakehead.

A special thank you must also go to the Lakehead University professors who assisted you along the way.

Congratulations and best of luck in your future endeavours,

Dr. Brian J.R. Stevenson
President & Vice-Chancellor
Lakehead University

Honorary DEGREES

The University confers "honorary" degrees which symbolize the highest honour that can be conferred upon an individual by the University. An honorary degree may be awarded in recognition of scholarly or creative achievements or distinguished public service to the country or region. They are awarded to individuals who have been designated by the University's Senate, its senior academic governing body, as deserving special honour.

At Convocation, the degree is awarded *honoris causa*, or "for the sake of honour." A hood is also given to the recipient and it may be worn to any academic affair. Recipients of these degrees become honorary alumni of the University and they may affix, after their names, the abbreviation of the degree.

This year, Lakehead University is proud to honour the following exceptional individuals:
