It was at the 1991 Brier in Hamilton that Rick Lang made his memorable debut as a skip and enhanced his reputation as one of the game's class acts. The man who had been an instrumental figure on three Canadian and two world championship curling rinks was knocked out of the competition at the semifinal stage. But as a consolation, he was selected the second all-star skip. He was also picked by his fellow curlers as the competitor who best exhibited the ideals of sportsmanship and ability.

You get a sense of that modesty and courtesy when speaking with him. Still, it's somewhat surprising that Rick generously gives his alma mater, Lakehead University, some credit for his success in the sport of curling.

"In those days curling was the big thing in my life. It was really important to me that Lakehead University was here in Thunder Bay because that enabled me to carry on in curling and to get a degree."

Rick's greatest success may have come in curling but social work seems to be where his destiny was likeliest to carry him. His

by Julio Gomes, HBA'86

father Harry was the executive director for Thunder Bay's Family and Children's Services for 35 years.

After graduating from Fort William Collegiate, Rick enrolled at Lakehead as a commerce student, then shifted to social work when the program started up.

"I was terrible in math and sciences so I had no choice," he recalls of the switch. "It's tough for a business student if you get a 34 percent in economics!"

It seems he made the right decision. In 1976, he not only graduated with an honours in social work, he also had the highest mark among his classmates.

As for his interest in curling, well, Rick is not anyone's idea of the athletic superman.

"I'm small now," he says, "But I was *really* small then, so what could you play when you're small? Not basketball, not football, not volleyball. Golf or curling probably."

So curling it was. This sport of heaving heavy granite objects down a sheet of ice seemed tailor made for Lang.

The Director of LU's Northern Educational Centre for Aging and Health, Professor Mary Lou Kelley (centre), is joined at the opening ceremonies last January by Dr. Alexander Macpherson, Director of McMaster University's Educational Centre and Dr. Neena Chappell, Director of the University of Manitoba's Centre on Aging.

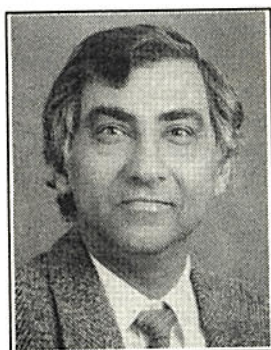

Lakehead Alumna Leads the Way

A graduate of Lakehead University is the Director of the newly opened Northern Educational Centre for Aging and Health. Professor Mary Lou Kelley (BSW'74) is an Associate Professor at Lakehead University and has been a member of the Department of Social Work since 1980. The mandate of the Centre is:

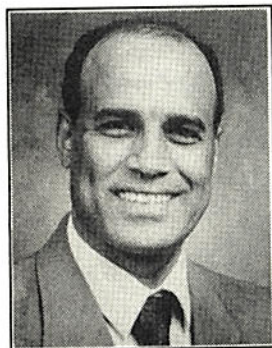

- To support collaborative activities in gerontological education and research among Northwestern Ontario educators, researchers and direct practitioners
- To promote the recognition of LU as a regional and provincial resource for gerontological education and research
- To facilitate ongoing academic and clinical exchange with McMaster University's Educational Centre for Aging and Health and other centres of expertise in geriatrics and gerontology.

The Northern Centre welcomes inquiries at (807) 343-2126.

Engineers in the News

Dr. Ali Mirza
Distinguished Instructor Award

Dr. Said Easa
Distinguished Researcher Award

Two professors in the Department of Civil Engineering have been recognized this year by the LU Senate Committee on Teaching and Learning. Dr. Said Easa teaches courses in traffic engineering, transportation systems and highway design and much of his research focuses on safety issues. He has a PhD from the University of California at Berkeley and has been at Lakehead University since 1982.

Dr. Ali Mirza has a PhD from the University of Texas and has been at LU since 1980. He was nominated for the teaching award by the Director of the School of Engineering Dr. Gary Locker and his nomination form included letters of support from students and alumni.

Both instructors recently gave public lectures on their areas of interest.

The new Regional Centre is the home base for the staff who co-ordinate programs for Continuing Education and Distance Education. The Department of Continuing Education serves more than 600 students taking 58 courses at 18 sites across Northwestern Ontario. An additional 450 students take degree courses off campus through Distance Education (correspondence courses enhanced by teleconferencing and home study packages).

The School of Business Administration Mission Statement

The Lakehead University School of Business Administration is a community of individuals dedicated to quality in management education, emphasizing undergraduate teaching and the on-going development of our students as decision makers and communicators able to serve society and its organizations effectively. Recognizing that such an endeavour is strengthened by diversity in faculty interests and scholarly pursuits, the School of Business Administration engages in a broad spectrum of scholarly and community activities in support of quality management education.

This draft mission statement was approved in principle by the Faculty Council of the School of Business Administration on March

6, 1992. The School of Business Administration is actively seeking comment on this statement from those who are interested in the School. If you wish to comment, please do so in writing, addressing your response to: Ken Hartviksen, Director, School of Business Administration, Lakehead University, Thunder Bay, Ont., P7B 5E1. Comments will be accepted until December 30, 1992.

President's Perspective

Alumni's Role - More Important Now Than Ever Before

By Dr. Robert G. Rosehart
President, Lakehead University

The past few years have been exciting times at Lakehead University. The successful completion of the *Partners Campaign*, record increases in student enrolments, recent major building projects and operating grant increases somewhat greater than inflation have allowed many new initiatives to be undertaken.

Unfortunately, the reality of the Canadian recession, coupled with a major restructuring of the Ontario economy, has resulted in the Ontario government announcing recently that our future grant increases, like the other public sector transfer agencies, will be 1%, 2% and 2% over the next few years.

This will produce a very difficult and challenging operating environment as we anticipate some additional enrolment growth. However, this situation is the economic reality and, within the institution, we are currently working together to identify creative ways of solving our funding shortfalls. As you may have noticed in the media, the employee groups at Lakehead University worked together this year on a voluntary contribution and unpaid additional vacation program that has allowed the University to have a balanced budget in 92/93 without layoffs. Our faculty and staff deserve congratulations in the success of this initiative.

More than at any recent time, the continuing and enhanced support of the Lakehead University Alumni is critical to the preservation of our programs in this difficult time ahead. The Alumni Annual Fund continues to grow, and the many

special projects funded by the Alumni Association from this Fund will continue to allow the institution an opportunity for growth and vitality. The \$150,000 objective for this year has been surpassed through gifts from nearly 3,500 alumni.

Some time ago, I wrote about the kick-off of the *Share Our Northern Vision* capital campaign. Officially kicked off in Toronto in late November, to date, nearly \$8 million of the projected \$19.2 million, five-year goal has been pledged. The support for Lakehead University during this time of national economic trauma has been encouraging and reflects the growing reputation and recognition of the institution and its mandate. What is particularly impressive is the growth in support from corporate Canada between this campaign and the *Partners Campaign*.

I would like to draw to the attention of Alumni two special projects within the *Share Our Northern Vision* Campaign:

Music and Visual Arts Centre

In April, 1992, our Music and Visual Arts Programs moved from Cornwall School to a newly-constructed Centre adjacent to the School of Nursing building on campus. In order to provide for the special needs of the new facility, a "wish list" has been prepared, and a special effort is being made to equip the new facility. If you have a special interest in either Music or Visual Arts we would be interested in discussing with you some of the potential naming and recognition

opportunities associated with this new facility. Projects range from about \$200 upwards.

Fellowship Residence

For some time, we have wanted to provide a type of "alternative residence" experience on the Lakehead University campus. The proposed Fellowship Residence is a 50-bed complex that would promote a multicultural environment for learning and growth as well as the traditional residential housing component. Fund raising for this project which, incidentally, will be completely equipped for students with disabilities, is being targeted by the room: \$10,000 or \$2,000 for each of five years will provide a named room. Response, to date, has been encouraging, and approximately \$150,000 of our \$500,000 objective has been raised. Here is your opportunity for either personal recognition, or perhaps to organize your class year to buy a room. The possibilities are numerous. If interested, please give me a call at (807) 343-8200 or talk with Scott Fortnum at (807) 343-8916.

In summary, as I said at the start of this article, assistance to your alma mater is more important now than at any other time in the past. In spite of our funding difficulties that we share with all Canadian universities, exciting things are happening at Lakehead University, and we would very much like to see you continue to take an active part of them. □

Friends of Ontario Universities

When Sean Conway, the Minister of Colleges and Universities in the former Ontario government met with the Board Chairs of Ontario's sixteen universities in 1990, he listened to their representations, and then responded candidly: "When you people ask us to do something and we don't do it, nothing happens. When the hospitals ask us to do something and we don't do it, all hell breaks loose."

Conway's comment reflects the fact that governments respond to pressures. Since the mid-1970s the failure of the higher education community in Ontario to gain the attention of decision-makers under successive governments has contributed to continued underfunding that is seriously impacting our universities. It's a case of "all possible support, short of actual help."

This sorry state of affairs has led the leadership of Ontario university alumni associations to collaborate in the formation of a new group -- the Friends of Ontario Universities. Friends' goal is to organize an effective province-wide lobby on behalf of higher education. Through inter university co-operation, supporters of each university will be invited to join hands in this common effort.

The objective is to recruit an average of one hundred "Friends" in each provincial electoral district, brief them on the serious implications of successive governments' neglect of higher education, and organize sustained and effective representations to members of the legislature and the cabinet.

A Steering Committee, chaired by Michael Garvey of

Price Waterhouse, who also chairs the University of Waterloo's Board, is managing the initial work of the Friends. Other members include Peter George, President of the Council of Ontario Universities, Walter Pitman, former Director of OISE, and Pam Jeffery of S.A. Murray and Associates.

Alumni will be hearing more from the Friends of Ontario Universities in these pages. A major recruiting effort is being planned for the autumn. We'll keep you tuned. □

Presents Ski for Hope

Volunteers including Jeff McKenzie (BA'84, HBComm'89), Cathy Mroz and Ken Bjorn (above) helped out on marketing the event while Sandy Wood (HBComm'83) and Don Liggins (below) worked on registration. Thanks guys, we couldn't have done it without you.

Thunder Bay's first annual SKI FOR HOPE event held last February was a big success and raised over \$5,000 to assist blind and visually-impaired residents of Northwestern Ontario.

The event was organized by the CNIB in conjunction with The Alumni Association of Lakehead University. Ernst & Young was the sponsor and over 50 other local and national businesses helped out by donating food, transportation and prizes.

Individuals who raised a minimum of \$50 in tax-deductible donations were able to ski free for the day (downhill and/or cross country) at Big Thunder National Ski Training Centre. As well each participant enjoyed a free lunch and almost everyone walked away with a prize of some kind.

John Scott, a student at LU was the lucky winner of the grand prize -- a ski weekend for two at the Banff Springs Hotel.

Jennifer Agombar, a ten-year-old Thunder Bay resident was awarded the second prize for raising the most amount of pledges. She collected \$736!

Linda Hill, Chair of the SKI FOR HOPE Organizing Committee, is already planning next year's event. "Considering this was our first year we did very well. Next year we're setting an even higher target. Ernst & Young will be the sponsor again and we're hoping to have a good response from all the volunteers and businesses that helped out this year."

All funds raised through the event were shared equally between the CNIB and the Alumni Association. The Alumni Association has designated these funds to assist visually-impaired and other disadvantaged students at Lakehead University.

When Linda Magnusson was 12 years old she was diagnosed with Retina Blastoma cancer, a rare eye cancer that has left her with low vision.

Following her diagnosis she became involved with the CNIB, an organization that provides mobility instruction, rehabilitation services and braille instruction. Now a graduate of the Lakehead Univer-

Linda Magnusson SKI FOR HOPE Honoree

sity social work program, she is giving back to her community through her job as housing assistant with the Lutheran Community Care organization in Thunder Bay.

Linda was thrilled to see CNIB and LU work together to put on SKI FOR HOPE. "I enjoyed LU -- loved it, actually. All departments went out of their way to help me and in the last two years of my studies I became involved with the Learning Assistance Centre on campus. The system at LU worked for me."

by Denise Bruley, HBA'89

Helping Students Improve

Lakehead's Learning Assistance Centre comes to the rescue when students are struggling and need extra help to get over their academic hurdles.

Services to students with learning disabilities, or physical disabilities such as hearing or vision or mobility impairments, are coordinated through the Special Needs Office of the Learning Assistance Centre.

The services are varied and are matched to the individual needs of the students. For example students with visual impairments have many services from which to choose. Textbooks are available on audiotape from the provincial centre or through on-campus readers hired by the Learning Assistance Centre. The Centre has a computer with a large print driver to enlarge the text on the monitor; tests and exams are available in large print or the student may prefer to have the questions read aloud; a

closed-circuit image enlarging system called Voyager is available in the Chancellor Paterson Library so students may read books, maps, etc., in whatever size they need. This equipment may also be used by anyone in the community who visits the University's main library.

Students with disabilities appreciate the accommodations which give them equal access to education at Lakehead. One student wrote about her hearing problem: "I lived with this and hid it from everybody. Now I realize that I can't hide it anymore. I'm experiencing hearing problems in the lecture theatre and went to "Special Needs" for help. I didn't want any more prejudice mountains to climb. Now I'm ready to climb any mountain to hear the echoing on the other side."

Alumni House

Not all that many years ago, I had the opportunity to visit a couple of friends at Lakehead while in town on business. I was very impressed with the campus and the sense of community at the university. This of course makes my new position even more exciting... I have the opportunity to expand this sense of community with the 20,000 or so alumni from Lakehead University, Lakehead Technical Institute and the Lakehead College of Arts, Science and Technology.

As the byline says my name is Scott Fortnum. My wife Sandra and I left Young and Bloor about a year ago to do some contract work in St. John's, Newfoundland, and upon completion of that moved up here to T'Bay in January. The cold is taking a bit to get used to, but it seems to have stopped our cat from shedding as much. In the short time I have been here I have met quite a few grads and am impressed with the dedication of Alumni volunteers.

Through the work of many key players, the Alumni Association has really come to life in the last little while. The Association has been able to provide you with the LU MasterCard, insurance discounts through Seaboard Life, and discounts at the Field House.

Working closely with Frances Harding and Cathy Trojan, our alumni team has a number of things planned now that we have an extra

person. Currently we are looking at developing an annual Homecoming to occur every October. This will provide you with an excuse to come back to Thunder Bay (if you are away) and a chance to meet, mingle and network with other LU grads. It will take a year or two to get this going but it is forthcoming.

Just as an update, the Annual Fund raised over \$156,000 this fiscal year. If we include Alumni gifts to the *Share Our Northern Vision* Campaign, Alumni support of the University totals nearly \$200,000. With the announcement of the Ontario government's budget these monies have been a tremendous help in keeping Lakehead a great place to learn. Without your continued support, your alma mater just wouldn't be the same. Just so you know, of all the Alumni contacted, over 40 percent were able to contribute. Considering the economic times this is fantastic. This type of support rivals many older and larger institutions in Canada and is something for each of you to be proud of.

We'll be intensifying our fundraising efforts next year and hope to increase our participation rate to 50 percent. The *Share Our Northern Vision* Campaign is underway raising outside money for building and renovation projects (raising the really big donations from corporations and foundations), and when approaches are made one

Notes from my Desk

by Scott Fortnum
Manager, Alumni Services

of the first questions asked is "are your Alumni behind this?". Nearly all major corporations are approached by every Canadian University. When Lakehead can boast that nearly half of our Alumni are financially supporting the University, it helps set us apart from the other institutions seeking the same corporate dollars. If you provided a gift this year, pat yourself on the back. If you didn't, please be receptive to the request when you are contacted in the fall!

A number of other areas are being explored as well. We will be providing you with access to more Lakehead paraphernalia. The rings and watches advertised are really nice and so are the diploma frames. In the future we hope to be able to provide you with a catalogue of LU merchandise.

I'd like to meet as many grads as possible, so if you are in Thunder Bay and have any ideas as to what the Alumni Association can do, or do better, drop in for a coffee or give me a call at 343-8916. The name of the department is Alumni Services, but we can only serve if you highlight your needs. □

ALUMNI AWARD

WINNER

It is easy to see why Anne Marie McMahon was selected to receive the 1991 Alumni Award entitling her to a tuition scholarship of \$1250 each year for four years.

While maintaining more than a 80 percent average in her studies at Hillcrest High School, Anne Marie excelled in sports, drama and music. A short list of her achievements include receiving the Coach's Award for her involvement with the senior girl's volleyball team; placing second in the senior girl's shotput at the Northwestern Ontario High School track and field meet; coaching Grade 9 volleyball and basketball teams, placing first in the high school choir category at the Lakehead Music Festival; playing alto saxophone in the senior band; and completing an OAC credit in drama which included two major public presentations.

Outside of school Anne Marie has found the time to teach Sunday school, volunteer for the provincial Conservative party and work part-time. Currently enrolled in the BA/BEd program, Anne Marie has her heart set on teaching elementary school and we wish her well. No doubt the Alumni Association will be hearing more from this energetic woman!

Invaluable Volunteers

Eileen Isbester, BA'91

When Eileen Isbester graduated last spring she didn't think she would be doing detective work. But as co-ordinator of the newly formed Alumni Tracing Committee, Eileen is doing just that -- updating alumni archives. And Eileen is well-suited to the task. Not only does she care about Lakehead University (both she and her daughter are graduates), but she really enjoys people.

Since the fall Eileen has been coming in to Alumni House regu-

larly to research addresses and phone numbers of alumni who have moved. Now Eileen is working on a list of pre-65 graduates -- the list of the students who attended Lakehead Technical Institute and the Lakehead College of Arts, Science and Technology.

If you would like to join Eileen, George Merrill and the other volunteers on the Alumni Tracing Committee please call Alumni House (807) 343-8155.

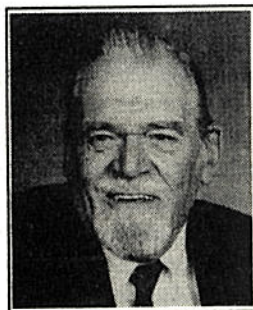

A Record Year

This year's Alumni Annual Fund came to an official close on April 30 and two significant records were achieved. First was the level of support: Nearly 3,500 graduates contributed to the Annual Fund. This is an increase of nearly 1,000 from last year. Second the total giving to the University by Alumni was \$196,000 in pledges and gifts, \$156,000 of which was for the Annual Fund. One hundred fifty-six thousand dollars on a goal of \$150,000; certainly something in which we can all take pride. Nearly half of that money went directly into department budgets to support special projects or equipment purchases. By far the area receiving the most support was the Chancellor Paterson Library. Thanks to you there is now \$20,000 worth of new books, journals, and equipment for students to use.

Considering the tough economic times, these results give a very positive message. Our grads are proud to have attended LU, and want the institution to continually improve for future students. It also tells the government and corporate donors that LU's own graduates support the institution. As university competition for corporate donations and government dollars increase this becomes increasingly important.

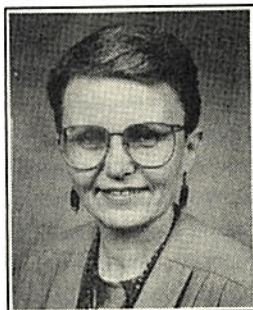

The following pages list this year's donors. If you made a pledge and sent your cheque in by the end of April, your name should be here. If it's not, please contact the Alumni Office. Look through the list. If your name appears, pat yourself on the back. If it does not, look at all of your fellow grads that are supporting the school. Perhaps you'll be in a better financial position and be able to provide a small gift. If you absolutely can't spare money for a gift, consider filling out the MasterCard application on the back cover. Every time you use the card, Bank of Montreal makes a small donation to LU at no cost to you.

Class of '92

Convocation ceremonies were held in May for Lakehead's largest graduating class. The word "convocation" means "calling together" and is a centuries old ritual of the conferring of degrees and diplomas.

Where would LU be without the help of over 25 alumni volunteers who marshall the graduands each year? Shown here are Assistant Head Marshalls Nancy Luckai (MScF'71) and Lynda O'Brien (BA'85) following Dr. George Merrill who is carrying the mace. The mace is a traditional symbol of the University's authority and was given to the university by the Alumni Association in 1971. It bears the university's motto *Ad augusta per angusta*, Achievement through Effort.

1. Honours to all! Two honorary degrees were awarded by Lakehead this year, an honorary Doctor of Laws to Karen Merle Weiler, Judge of the Ontario Court of Justice, and an honorary Doctor of Music to Neil Young, a singer and songwriter who started his performing career in Northwestern Ontario in the early sixties.

Back row:

The Honourable Madam Justice Karen Merle Weiler, Mr. Robert Paterson, Chairman, Board of Governors, Mr. Neil Young, Mr. Rick Lang, 1992 Alumni Honour Award Recipient

Front row:

Dr. Robert G. Rosehart, President, Lakehead University, The Very Reverend Lois M. Wilson, Chancellor, Lakehead University

2. This year's Poulin Award for outstanding citizenship went to Laura Ann Fellman, BSW (Hons).
3. Carol Buswa, one of the graduates in the Native-Teacher Education program, delighted onlookers when she crossed the stage wearing the ceremonial dress of the jingle dancer under her academic regalia.
4. Registrar Pentti Paularinne presents 79-year-old Tillie Hurrell with a bouquet of roses along with her Master of Arts (English) degree.
5. Another proud parent. Associate Professor and Chair of the Department of Social Work Roger Delaney congratulates his son Christopher who graduated with a degree in Philosophy.

RICK LANG

... continued from page 1

While he was trying to launch his career, he was exposed to the highest levels of the game. At Fort William Collegiate, he was a member of the 1971 Northern Ontario championship rink. Then Lady Luck brought him on board Bill Tetley's 1975 steamroller. The first Northwestern Ontario rink to lift the hallowed Tankard.

All the while, Lakehead University was still there allowing him to pursue two lifelong goals at the same time.

"There are 750,000 Canadians that curl and if you're trying to be the best you can't take three years off and come back at age 24 and say well I'm going to start again. You'll never catch up," says Rick, who is now into his twenty-fifth year in the sport.

To reach a high level of proficiency requires a good deal of dedication. Curling is no different. For a successful practitioner like Lang, an hour of practice each day during lunch or after work or at night is absolutely essential.

Still he has pulled back from the sport. Long associated with Al Hackner -- where it would be common to be at bonspiels across Canada every weekend for two months -- Lang now skips his own successful team. Still, his curling life has altered a good deal.

Married 10 years to Lorraine (also a highly successful curler with another LU graduate Heather Houston), Rick is the father of two children, Adam, 6, and two-year-old Sara.

"The children's appearance hasn't put an end to our curling or ruined it," he says of parenthood. "We've had successes since they've been around. It's just a little more work in terms of time management."

One thing Rick has managed to find time for is to co-chair the Heart to Heart Bonspiel. This event

combines celebrity skips and weekend curlers from Northwestern Ontario and is a major fundraiser for the Heart and Stroke Foundation.

The format sees celebrity curlers like Ed Werenich of Toronto, Ed Lukowich of Calgary and K. Burtnyk of Winnipeg skip teams of ordinary individuals in matches of fun and merriment.

A measure of the event's success is that these curlers still come to Thunder Bay at the end of a long season.

Yet it is their commitment that has seen the Heart to Heart Bonspiel become a big time charity event.

"We started in 1981 with the idea of raising a few thousand dollars," Lang explains. "We initially budgeted to raise \$2,000. We thought that that would be a good contribution and get the pros together for a year-end banquet. Instead of raising \$2,000 we raised \$10,000. The next year instead of raising \$10,000 we raised \$20,000. Then \$30,000 became \$40,000 and it just kept going."

This year was the event's 11th edition. Despite the recession and conflicting events elsewhere, the Heart to Heart was another success. More than \$30,000 was raised, bringing the grand total to nearly \$500,000.

Rick's sense of modesty being what it is, he is also rather surprised to be the recipient of the Lakehead University Alumni Honour Award. Especially in light of previous recipients such as Dusty Miller, former mayor of Thunder Bay, Tony Petrina, president and chief executive officer of Placer Dome Inc., Lorne Everett, a hydrogeologist working in California, and Ron Duhamel, Member of Parliament for St. Boniface, Manitoba.

"I don't picture myself in that kind of group," he says. "It's really an honour." □

The 1970s

A Solid Waste Management Consultant in Tampa, Fla., **Bonnie Moore** (Lib.Tech.'70, BA'76) is helping Floridians with recycling and waste minimization. She recently married Jay Eingold, an Environmental Manager with Florida Power. Friends are always welcome to visit. She writes, "Larry Hebert, Walter Crowe and Dwight Gessie how are you?"

Donna Morrow (Ed.Dip.'71) and her husband Ken have been living in Dryden for 11 years. Donna worked in the Dryden Child Care program for four years after staying home to take care of her children Sherre, 13, and Ian, 10.

After 15 years with the Ministry of the Environment in B.C., **Glenn Rajala** (BSc'70) has made a career change. He now works for Formtec Inc., an industrial fabric supplier. His wife Darlye "retired" from Lions Gate Hospital (where she worked for 16 years) to raise their children Amelia and Kai.

Terri Hudolin (BA/BEd'74) (nee Greer) and her husband **Edward** (BAdmin'77) have lived in Thornhill, Ont., for 10 years. Terri has been teaching at St. Wilfrid's School for 18 years and they have two children, Kiia, 5, and Kale, 3. Ed is an employer advisor with the Ministry of Labour.

Iris Kramer-Clarke (BA'74) has moved from Calgary to Powell River, B.C., the beautiful Sunshine Coast. Iris is an itinerant Special Education consultant and Geoff is a director of a Group Home. Luke, now 8, loves his new school and beach-combing. Katelyn, 18 months, is keeping everyone busy.

JoAnne Skillen (HBPHE'74, BEd'75) worked for Newfoundland Lung Association for 5 years but in September '90 became student Health Educator for Memorial University. Before that she taught for 6 years at the University of Manitoba in the Physical Education Department. She received a master's degree from the University of Western Ontario in 1978.

Margaret Weidmark (BScN'74) and husband **Mark** live in Waterloo, Ont., with two daughters Kathleen, 8, and Laura, 6. Margaret works at Waterloo Regional Health

Lyn McLeod

On February 9, 1992 Lakehead University graduate Lyn McLeod became the 22nd Leader of the Ontario Liberal Party as the result of an exciting five ballot contest at the party's leadership convention in Hamilton. Her victory followed a distinguished career of public service.

Following her graduation from the University of Manitoba, where she majored in English and French literature, she and her husband Neil, a native of Fort

William, chose to make their home in Thunder Bay. In 1968 she became a Trustee on the Lakehead Board of Education, where she served 17 years, including seven years as Chair of the Board. In recognition of her outstanding contribution to education, the Ontario Secondary School Teachers' Federation presented her with the prestigious Lamp of Learning Award in 1979.

Lyn returned to school in 1983. She earned an honours degree in Psychology from Lakehead University in 1984 and was awarded the Dean's medal as the highest-ranking student in her program. At Convocation 1986, Lyn received her MA in Psychology from Lakehead University. In 1987 she participated in Convoca-

tion as a member of the Board of Governors. Later that same year she was elected to represent the riding of Fort William and attended Convocation 1988 as Minister of Colleges and Universities.

In 1989, Lyn was appointed to two demanding portfolios: Minister of Natural Resources and Minister of Energy. She also served on the Policy and Priorities Board of Cabinet.

Lyn was re-elected in 1990 and served as Community and Social Services Critic for the Official Opposition before becoming Leader.

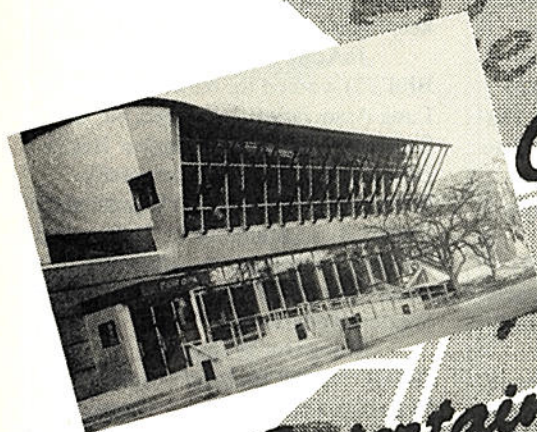

Lyn and her husband, Dr. Neil McLeod, have four daughters: Dana, Robin, Dara and Kristen. □

Matthias Weeg, (BSc'79), now a senior orthopaedic surgeon in Aachen, Germany, writes, "One boy, still playing squash, soccer and violin...If anyone is planning a tour in Europe despite the economic situation, I'd gladly inform or assist in tour planning."

After graduation **Gary Dudinsky (For.Tech'79)** worked with the Alberta Forest Service, mainly as a Forest Officer until January 1991 when he resigned to start up his own forestry consulting business specializing in Forest Protection. He was married to **Sherry** (nee **Patry**) in July 1988 and their first child **Kimberly** was born October 1990. **Sherry** is teaching Grade 2 in Canmore.

Mary Collinson (HBPHE'79) and **Michel Lalonde (HBPHE'78, BEd'79)** would like to announce the

birth of their second child born in November 1991, **Kristine Elizabeth Lloyd Lalonde**. **Andrew Lalonde** is two years old. **Mary** and **Mitch** are both teachers teaching at LaSalle Secondary School in Sudbury, Ont.

Bruce Polnick (BA'79) and wife **Lu-anne (BScN'79)** (nee **Chesney**) have moved to Belleville, Ont. **Bruce** works with the Ministry of Community and Social Services in Picton, Ont., and **Lu-Anne** is a Public Health Nurse. Their children **Tom**, 12, and **Heather**, 5 are both well and **Lu-Anne** writes to say her parents have recently moved to the region from Nipigon. "Hope to get to the reunion in 1994. Was glad to see **Eija**. Wishing everyone in Thunder Bay all the best."

The 1980s

Janine Reynolds (HBSW'80) (nee **Gilbert**) married **Robert** in 1987 and they now have a daughter **Erica** **Janine** and a son **Hugh Anson Robert**. **Janine** is working part-time as a social worker at the Penetanguishine General Hospital and **Robert** is with the Midland Police Force.

Andrew Nych (BSc'80) and **Joanne**, still teaching in York Region, are proud to announce the birth of their first son, **Grant Ivan** in July.

Doug and Susan Pearson (BABEd'80) (nee **Kubena**) are pleased to announce the birth of their second child **Michael Gerard**, a little brother for **Timothy**.

Gabriele Sabine Emond (For.Tech.'81) (nee **Feulgen**) left the Geraldton MNR in February 1985 to work for Fort Frances District. In 1987 she quit the MNR and started full-time with Fort Frances Ambulance. **Gaby** married **Marty Emond**, also an ambulance attendant, on October 12, 1985 in London, Ont. They both live and work in Fort Frances and are proud parents of a little girl **Heidi** born October 4, 1991.

Samuel Oliver Alexander (BA'81) took over as the Chief Librarian of the Royal Military College of Canada in Kingston, Ont., in January 1990. Prior to this he was working in Ottawa.

Brian (HBOR'82) and **Gail (BA/ HBOR'82) Davie** with their two children **Dylan** and **Isaac** send a "hello" to everyone in their class.

(from Hockey Night in Canada).

Diane Schoemperlen

When the Thunder Bay Public Library invited Diane Schoemperlen (BA'76) to be the keynote speaker at a creative writing workshop last fall, the LU English Department acted quickly to bring her back on campus.

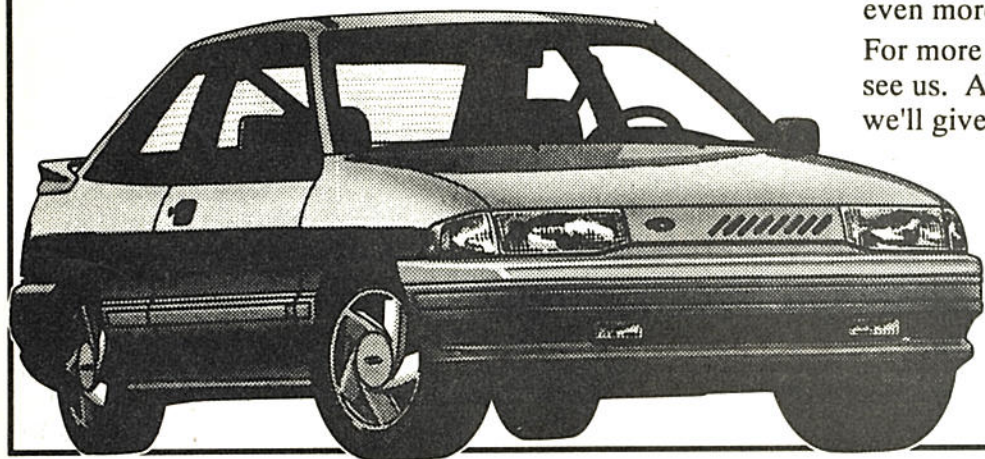

Schoemperlen has been making headlines since her first book, *Double Exposure* was published by Coach House Press in 1984. Her second book, *Frogs and Other Stories* was published by Quarry Press in 1986 and received the Writer's Guild of Alberta Award

for Short Fiction. Her third book, *Hockey Night in Canada*, appeared in 1987 followed by *Man of My Dreams* in 1990. This collection of stories published by Macmillan of Canada was short listed for both the Governor-General's Award and the Trillium Award.

Diane and her son **Alexander** live in Kinston, Ont., where she is currently working on a novel *In the Language of Love* and another collection of stories, *Love in the Time of Cliches*.
