FLASH

Message from the Geology Club

As I reflect back on the 86/87 school year, I see a year filled with challenges, most of which where overcome. The lack of first year geologists prevented the staging of an initiation, but that did not prevent us from kicking off the year with a barbeque!

The TNT was plagued with bad weather and poor attendance, though all who attended (and can remember it!) had a super time. The TNT put the Club heavily into debt and, thus, the problem of fighting back financially precluded any further Club activities.

Despite these problems, this year has been an enjoyable learning experience. I would like to thank the Club executive: Doug Turnbull (vice-president), Barb Seemayer (secretary-treasurer), Leslie Jessop (yearbook) and Deb Archibald (past-president). The hard work of these individuals and members who assisted them allowed the Geology Club to survive this years hardships.

The Club office was used more than ever before this year, and I hope that next years executive will continue this trend and finally get the "pop" fridge rolling. I also hope that the Club phone list, implemented this year, will continue in the years to come.

I wish all members the best of luck in obtaining summer jobs this year and in all their future educational and professional endeavours.

Respectfully yours,

Cam McCuaig

Cam McCuaig
Geology Club President

Our thanks to the following who contributed to the success of our yearbook by means of listing with us.

DR. W.A. BARTLEY

LAKEHEAD UNIVERSITY

1986

MESSAGE FROM THE CHAIRMAN

On behalf of the faculty members of the Department of Geology, I wish to express my congratulations to the students involved with the production of this year book.

The geology students are one of the few student groups at Lakehead who have the motivation and commitment required to assemble such a record of their academic and social activities. I believe that this type of endeavour is one of the benefits of attending a small university. Such esprit de corps is rarely found at larger institutions.

Hopefully the yearbook, will in later years, rekindle pleasant memories of your time at Lakehead.

To those of you who are graduating this year the members of department wish you success in your future careers.

W.H. Mulligan
