As Director of the School of Physical Education and Athletics and on behalf of our coaches, faculty and staff of Lakehead University, we would like to extend a warm welcome to all visiting teams competing in this year's Nor'Wester Volleyball Invitational.

We also wish you every success on the court and hope to see you at the games.

Norman F. LaVoie, Ph.D.

I would like to take this opportunity as Coordinator of Athletics to welcome the visiting teams and local fans to this tournament. This volleyball tournament is the first varsity event of the season, and I am both proud and excited to have Coach Claude Lapre and his volleyball team kick off the 1989-90 Nor'Wester season.

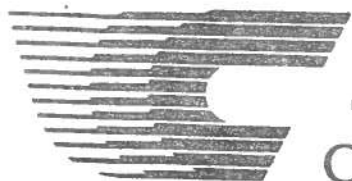

Clyde Tui

The Lady Nor'Westers are ready for a promising season. Last year's late season results are fresh in the memory of our returning players, led by Robyn Plett (offensive player of the year) and Kelly Williams (IU's female freshman athlete of the year). Leslie Ballan, Deanne Geisler, Corinne Kollmann and Jennifer Smith will also ensure some stability.

As the program seeks rapid growth, a strong core of rookies was added. Many of them will get a chance to contribute to this season's performance with Kelly Breutigam expected to lead the way.

After an initial taste of success, the Lady Nor'Westers will take to the floor with confidence, challenging their opponents with an exciting style of play.
