ATHLETIC DIRECTOR

To All Supporters of Lakehead Athletics:

Intercollegiate and intramural sports play an especially important role at Lakehead University. Not only do they provide a common meeting ground for constituencies that might otherwise interact only frequently, but also they engender a school spirit that is vital to the health of the institution.

Under the capable and dedicated leadership of coaches Rene Robertson (women's basketball), Liz McKinnon (swimming), Dave Bragnalo (hockey), Ron Lappage (judo), Ron McKechney (soccer), Rick Suffield (men's basketball) and Bob Thayer (wrestling), with the valuable assistance of many volunteer managers, statisticians, sports information and promotion personnel, assistant coaches, through the sensitive and knowledgeable care of athletic therapist and trainer, Ross Hodgkinson, and the continued dedication of the Athletic Department Staff, the 1980-81 varsity athletic season was one of success and continued growth.

This evening is to recognize the past achievements and accomplishments of athletes at Lakehead University at all levels. It is also an evening to look to the future. As changes develop in the athletic scene throughout Canada, Lakehead University will continue to strive for excellence.

1980-81 hockey season was a rebuilding year for the Nor'westers. The young Nor'westers ended up in last place in the strong G.P.A.C., and bowed out to Allen Cup bound Thunder Bay Twins in the local hockey league playoffs.

The season was unique in that the Nor'westers competed in two completely separate leagues. Besides G.P.A.C. the Nor'westers competed against Thunder Bay Twins, Intermediate Bay Beverage Blazers and the Junior Burger Kings in the Hockey Thunder Bay League.

Individually, Henry Rubert had an excellent season for L. U. He was the top scorer in both leagues and was named M.V.P. for the Hockey Thunder Bay League, and to the all-star 2nd team in G.P.A.C.

The outlook for the 1981-82 season looks bright as the Nor'westers only lose Laurie Merriam through graduation. Laurie has completed the 5th year of a distinguished career at L. U. and ranks in the top 10 of L. U. all-time scorers. His leadership ability on and off the ice will be missed.

Newcomers who played an integral part of this season were Jim Keyes, Marty Nelson, Rick St. Laurent, Gerry Skuta, Bruce Wakewich, Sam Avella, Byran Garbutt, Rick Markic, Dan Bryck, Rhys Densmore, John Kompson and Randy Gotziaman. These rookies along with our veterans Grahame Longley, Henry Rubert, Henry Staal, Steve Wakewich, Rob Kruse and Dave Viitala all gained valuable experience this past season which will aid us this fall in our quest for a G.P.A.C. title.

SPECIAL TRIBUTE

As in all sports, the possibility of injury is ever present and every athlete accepts that as part of the game.

An unfortunate accident in a Hockey Thunder Bay League game in early February resulted in a fractured neck for Irmo Marini. Now instead of fighting for goals and assists and hockey victory, Irmo is fighting to regain use of his legs. We are sure that his "never say die" attitude on the ice will carry over to his therapy exercises and that soon Irmo will be walking again. His attitude both on and off the ice can serve as a model for us all.

Though not gifted with exceptional talent, Irmo used hard work and determination to emerge not only as an excellent hockey player but also as a leader.

All of us on the hockey team, in the Athletic Dept., the University at large, as well as the community of Thunder Bay wish Irmo well and send our hopes and prayers for a speedy recovery.

REFLECTION

NO citizen has any right to be an amateur in the matter of physical training: it is part of his profession as a citizen to keep himself in good condition, ready to serve his state at a moments notice. The instinct of self-preservation demands it likewise: for how helpless is the state of ill-trained youth in war or danger . . . Finally, what a disgrace it is for a man to grow old without ever seeing the beauty and strength of which his body is capable. . .
