

*1992-93
LADY
NOR'WESTER*

BASKETBALL

This year's edition of the Lady Nor'Westers will be very strong. Leading the Blue and White will be All-Canadian point guard Kathy Harrison. Joining Kathy in the backcourt will be second year Donna Foreman, and third year player Patti Johnston. Patti spent a major part of last season recovering from foot surgery and is now ready for a successful season. Fourth year power forward Jen Burgess, who led the team in rebounds, will play a significant role for us. Rounding out the starters will be 6'1" Lisa Corsaut, who came to training camp in excellent shape. Returning players include third year post player Bonnie McAlpine, second year players Michelle Black and Leo Altieri, who should provide a stable bench.

Losing OWIAA All-Star Pam Leitch and Kelly Fitzgerald, along with fifth year player Barb Hill, will leave holes to fill for the Blue and White. However, Coach Julius has had a successful recruiting season.

Angie Pumputis will join the Nor'Westers. Angie was an outstanding high school player that has returned to the educational field. She will provide maturity on and off the court and will contribute early. Joining Angie will be Katie Langdon. Katie is an outstanding player from Beamsville high school who is very aggressive and will help out on the boards.

To strengthen our backcourt Nicole Versaevel from Regena Mundi in London and Lisa Chambers from Ridgetown High school in Ridgetown were recruited; both are very good shooters and versatile players.

Joining Coach Julius in his 12th season will be Bob Main as assistant. Bob is an outstanding high school coach with Sir Winston Churchill in Thunder Bay. Also joining the team will be last year's M.V.P. Kelly Fitzgerald. Kelly has graduated and will be a valuable addition to the coaching ranks.

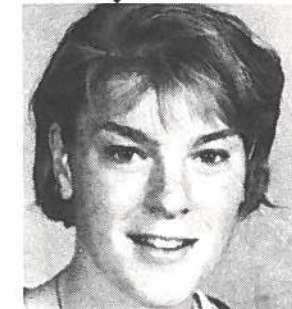

All in all the Lady Nor'Westers look very strong and will be a force to contend with in the OWIAA west.

KATHY HARRISON
