LIKE HONOUR,
IT MUST BE EARNED

ATHLETIC DIRECTOR

For a student-athlete to compete in interuniversity athletics in this day requires the individual to successfully combine demanding academic and athletic schedules. You must be commended for this achievement.

To those student-athletes who are graduating at the end of the school year, we extend our best wishes and sincere thanks for the many exciting moments you have provided during your career at Lakehead.

Youth was prevalent throughout our teams this year. The experience that these student-athletes gained in competition this year should provide a strong foundation for the future.

Special mention must be made of the efforts of the women's basketball team for their fine achievements in 1985-86. I am extremely appreciative of the efforts and dedication of all the coaches and their athletic personnel.
