Dear LU Student:

Welcome to Lakehead University. This may be your first year at LU or you may be returning to continue your studies here. On behalf of the Alumni Association of Lakehead University I would like to introduce you to the Alumni Association of Lakehead University.

You may know that our organization has grown to over 15,000 alumni, the vast majority who are in touch with their alma mater through the Alumni Association newspaper "The Nor'Wester". (Please peruse your complimentary copy!).

By definition an alumnus/alumna is one who has attended or has graduated from a particular school, college or university. The Association subscribes to the concept that a University is an institution with which members enjoy a "life-long" relationship beginning with their student years. The role of the Alumni Association is to improve the connection between the Alumni and the University and to support the University in its pursuit of excellence.

The Lakehead University Alumni Association mission in particular is:

- to provide a connecting link between the Alumni and their University.
- to cultivate and develop greater Alumni support for the University both financially and by providing leadership in the governance of the institution.
- to serve as a medium for bringing Alumni together on and off campus for the purpose of informing them of current University events thereby stimulating their interest and concern.
- to provide cultural enrichment programmes and other continuing educational activities which will allow Alumni to broaden their perspective and understanding.
- to stimulate interest and concern among students for the University well-being and prepare them for Alumni status following graduation.
- to create a broad base of informed alumni opinion able to interpret the changing environments of the University and the community areas that surrounds it.

Many former students are working in important roles determining the future direction of Lakehead University. This being a brief introduction to our Association, I sincerely hope you will take the time in your busy schedule to drop by our booth at Orientation '87, or come to Alumni House located adjacent to the Lot 5 parking area across Oliver Road and have a cup of coffee with us! I would also like to remind you of our Student Fall Flea Market on September 17 on the grounds of Alumni House-there will be something for everyone!

Once again, welcome to Lakehead University and all the best in your studies this semester!

Yours sincerely,

Jo-Anne Black
