

- ELISABETH HOPKINS -

- Studied art in England. Came to Canada in 1950 & has taken a number of courses & workshops in various techniques & media.
- By profession an Occupational Therapist she continued painting as a rewarding pastime & particularly enjoys the more experimental aspects of art.
- Received a Canada Council grant under their Explorations program & is listed in the catalogue of N.W. Ontario Artists.
- Retired, she now travels for part of the year with her husband, & enjoys sketching & painting along the way as well as at home.
