Coach optimistic over mat squad

The Lakehead University wrestling squad is looking forward to a strong season as coach Bob Thayer has both a crew of reliable veterans and a crop of impressive rookies.

With the season beginning in a little over a month, the word about campus is optimism.

The list of returning three-year veterans is led by team captain Randy Budner, a silver medalist in last year's intercollegiate championships. Three other returning Canadian Intercollegiate Athletic Union medalists who will add great depth to the team are 126-pound Dale Adams, Chris Foot at 142 and Mark Jodoin who could weigh in at either 126 or 134.

Heavyweight Andy Jackson and Dave Duhaime will give LU experience in the 163-pound class.

However, the real strength may be the sophomores led by Lakehead's 1979 Freshman athlete of the year, Joe Picton. Picton seems to have fully recovered from the knee surgery that sidelined him from CIAU competitions last season.

Another outstanding second-year wrestler is 149-pound Henry Lianga who was the silver medalist at last year's intercollegiate championships.

Three other sophomore grapplers who should get a real opportunity to demonstrate their talents are Mike Warbanski at 158, John Taylor at 167 and Steve Moss at 118.

In addition to those there's Larry Moro who attended the University of North Dakota last season but has returned home and enrolled in the physical education program at Lakehead U.

A star football and wrestler at Selkirk High School, Moro possesses all the physical attributes of a champion — strength, mobility and quickness. Coach Thayer feels that what Moro lacks in experience he can make up for in physical ability.

LU Wrestling

14 SEPTEMBER 1979

Thayer recruits Rick Alloi

Wrestling Coach Bob Thayer is elated at the signing of top prospect Rick Alloi to his Lakehead Wrestling Team.

Alloi is a 19 year old 1st year BPE student who hails from Sault Ste. Marie.

Rick was aware of Lakehead from former Sooites attending here, but he had several other universities in mind and "knew little about LU academically", until he met and talked to Director Dr. Norman LaVoie last spring. Dr. LaVoie was one of several staff members visiting Sault Ste. Marie in order to expose other cities (and their prospective university students) to life and studies at Lakehead University and Thunder Bay. With follow-up contact being made by LU Varsity Wrestling Coach Bob Thayer we see one of Canada's finest young wrestling hopefuls on campus.

Rick stands a short, stocky 5'10" tall and weighs in at a tough 228 lbs. He will wrestle in the 100 kilo (220) class so he has some shaving of poundage ahead of him.

If credentials mean anything, Rick is among the elite with four years of varsity football at Korah Collegiate, 5 years of wrestling high school sr. heavyweight (since he was 15 years old), 4 Soo City championships, 4 NOSSA crowns capped off by his All Ontario Sr. Heavyweight Championship last year and becoming the reigning All Canadian Jr. Heavyweight Champion.

Rick was seen last spring at LU while competing in the Canadian Sr. Wrestling Championships, being pinned twice — once by Thunder Bay's own Canadian Super Heavyweight Champion Wyatt Wishart. Alloi was then off to the Junior World Championships where he lost twice, to the World's #1 and 2 champs. from the US and East Germany.

Rick's goals include super conditioning, improving his personal strength, quickness and most of all, mastering his technique under his new coach's tutelage. "I haven't had a coach in 3 years and Mr. Thayer is one of the best. I'm looking forward to maturing under his guidance. I want to be ready for the 1980 Olympic trials and a shot at Wishart, but I really feel 1984 will be where I'll peak and I hope to have a surprise for the American and East German by then."

Coach Thayer reiterates much of Alloi's positive approach by saying "he (Rick) has a lot of potential and a great attitude. He will be a trim, mean 100 kilo grappler."

FROM THE PAST

MAR 1979

ANDY JACKSON
...LU matman

MARK JODOIN
...from Rainy River

MAR 23/79

Title wrestling started at LU

The 1979 Canadian senior wrestling championships opened today at the Lakehead University fieldhouse, an all-freestyle event with no Greco-Roman competition scheduled.

The top wrestlers here will figure prominently in the selections to the Canadian teams which will compete at the Pan-Am Games and the World championships.

Today's opening rounds were scheduled from 10 a.m. to 4 p.m. and from 7-10 p.m. Action continues Saturday from 10 a.m. to 1 p.m. and from 2-4 p.m. This year the top grapplers in each of the 10 weight divisions will meet in finals, starting at 7 p.m. Saturday.

There are about 120 wrestlers entered, including five members of the Cuban National team, some Americans and more than 100 Canadians.

Of the Canadian entries there will be 15 from Thunder Bay, including four who're rated strong gold medal contenders. Clark Davis will be defending his 180 pound crown, Steve Daniar is the defending 198 pound champ and Nick Cipriano is defending his 136 pound title. Sean Barry is also listed among the favorites to take a gold.

Of the local matmen entered five are local products, Daniar, Francis Clayton, Louis Kok, Randy Budner and Dan Hartviksen. Cheyenne Ashukian is from the Lakehead Club and eight others are from LU, Davis, Barry, Cipriano, Mike Warbanski, Andy Jackson, Dale Adams, Dave Alexander and Roger Sampson.

There's also Mark Jodoin from Rainy River rounding out the area squad.

Three other Thunder Bay products will be marking their return to this city, Lloyd Renken who's now at the University of Western Ontario, Ottawa University's Brian Renken and Concordia's Wyatt Wishart.

LU Wrestling

Veterans anchor squad

With the start of the wrestling season a little over a month away, Coach Bob Thayer has many reasons for smiling. Chief among these is the number of experienced wrestlers returning to the Lakehead squad.

The list of returning three-year veterans is led by team captain Randy Budner, a silver medalist in last year's intercollegiate championships. Three other returning CIAU medalists who will add great depth are Dale Adams at 126, Chris Foote at 142 and Mark Jodoin at 126 or 136. Experience will also be added to the squad by heavyweight Andy Jackson and Dave Duhaime at 163.

The real strength of the team may be with the impressive list of second year wrestlers returning to Lakehead. This impressive group is led by Lakehead's 1979 Freshman Athlete of the Year, Joe Picton. Picton seems to have fully recovered from the knee surgery that sidelined him for the CIAU's. Another outstanding sophomore is Henry Lianga, who was the silver medalist at 149 lb. in last year's intercollegiate championships. Three other very experienced second year wrestlers who shuld get a real opportunity to demonstrate their talents are Mike Warbanski at 158, John Taylor at 167 and Steve Moss at 118.

Freshman Prospects

With the impressive list of freshmen to add further to the squad, Coach Thayer is very optimistic for the coming season. One in particular is transfer Larry Moro.

Randy Budner
- veteran captain

For many Thunder Bay athletes the lure of an athletic scholarship provides a great deal of incentive for attending an American university. This was the case for former Selkirk High football and wrestling star, Larry Moro, who attended the University of North Dakota last season.

However, after one season at North Dakota, Moro decided to return to Thunder Bay and further his education at Lakehead University.

Coach Thayer feels that Moro has all the potential to be an outstanding wrestler.

Larry Moro
- UND transfer

What Moro lacks in experience he can make up for in physical ability. Coach Thayer is hopeful that by exposure to a top competitive schedule and a sound training programme, Moro should rise very quickly to the top of his weight division at the collegiate level.

Barry looks to Moscow

26 October, 1979

Sean Barry, a graduate student at Lakehead University and an assistant coach under Bob Thayer has his sights on an Olympic medal in Moscow. This goal is certainly attainable as Barry has competed against the best in the world and been quite successful. Barry lost a close 8-7 decision to Joe Corso, a wrestler from the U.S., who finished with a bronze medal in the recently concluded World Championship in San Diego. The realization that he is that close to being the top in the world has provided a great

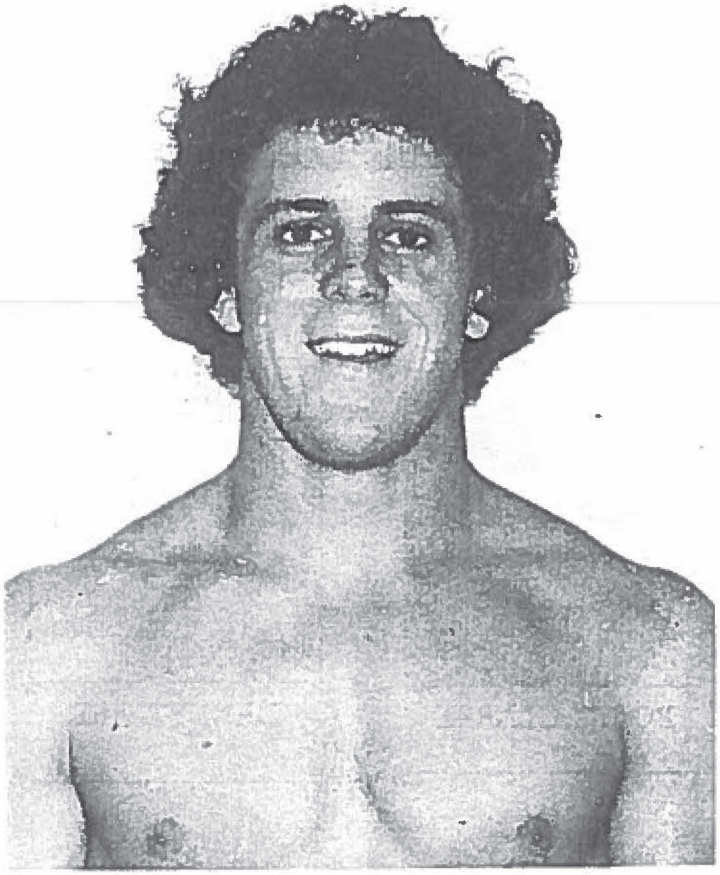

Sean Barry

train even harder.

mean for Barry? It means a commitment of three workouts per day almost right up to the Olympic Games in Moscow. The workouts consist of weight-training, running and wrestling in the evening. As well, Barry is working with Dr. Brent Rushall in the area of psychological preparation. Barry and Coach Thayer feel that this is one area that can make the difference between winning and not winning a medal.

At the present time, Barry is working to prepare for the Great Plains Tournament in

L.Q. WRESTLERS DOMINATE ON & OFF THE MAT!

World Champion

Here are the results of the Tournament of Champions run by the Intra-Murals:

1. Jon Taylor 41
2. Tim Algar 34
3. Andy Schardt 33
4. Scott Wilbur 31
5. Steve Reitter 30
6. Frank Pullia 29
7. Lars Holdt 16
8. Galnor Greer 9

Jon Taylor clearly was the class of the field, as he won 6 of the events he entered including the standing broad jump, vertical jump, obstacle course, 40 yard dash, bench press and leg press. Tim Algar won breast stroke, freestyle; Steve Reitter won the baseball accuracy throw and the pillow fight; and Scott Wilbur took the free throw competition. Congratulations to all those who entered.

Nov. 14/79

LU cagers, matmen compete on weekend

Two more Lakehead University teams will be unveiled before their home fans this weekend, with varsity basketetball and the annual Lakehead Fall Open Wrestling tourney slated.

Both Nor'Wester men's and women's cage squads will open their '79-80 Great Plains Athletic Conference campaign by hosting the University of Regina Cougars and Cougettes Friday and Saturday.

The LU men's cagers are well into their season, but for the women it's their opening games at home under new head coach Rene Robertson.

Doubleheaders are scheduled each night with the gals playing the opener at 5 Friday and 6:30 Saturday.

For Robertson the two games have extra meaning. She's taking her LU squad up against her former Regina coach and would like an upset against the highly-rated Cougettes.

She says she won't be satisfied with anything less than a split and figures her club has a good chance of at least that. Cougettes have been slow in getting into gear this season. They've got some injuries and Robertson will be sending a healthy club at them.

She adds, "Sandy Hummel is looking exceptionally sharp and our two rookie guards, Joanne Harvey and Joanne Drake, are starting to work as a unit.

"Also Mary Slater is getting her act together, as is Mary-Jo Fitzpatrick. Lucy Patterson is steadily improving and is a possible starter and Terry Brown is relaxed and sharper than ever on both defence and offence. She's also developing an effective outside shot."

For the men they've rebounded very well from a season-opening loss to Northland College. They earned a split of that series the next night, and then after sweeping two more at home against the University of Waterloo, gained even more revenge with a sweep this week against Northland at Ashland, Wis.

Coach Don Punch has a young club, but he's quickly molding them into a unit, under the quarterbacking of flashy guard Dave (Enzo) Zanatta.

WRESTLING

All members of the Lakehead squad will take to the mat Saturday in the Fall Open meet, scheduled to start Saturday at 9 a.m. with the finals to begin at 4 p.m. in the LU fieldhouse.

There will be five teams, besides LU, in the tourney and Lakehead's major opposition is likely to come from Canadian West Conference champion University of Alberta and Michigan Tech.

The Alberta squad has a tradition of fine wrestlers, including National collegiate crowns in '69, '70 and '71. They're led by Pierre Pomerleau, a 163-pounder who is a former member of the Canadian National team. He was also intercollegiate champ twice. Other notables include 118-pounder Scott Tate and 126-pounder Glenn Perch.

Michigan Tech will offer some pre-tourney competition Friday night at 6:30 in a dual meet against Lakehead, with LU likely to field a strong group of freshmen for that competition. A tentative rookie lineup may include Pete Fournier 118 pounds, Larry Moro 150, Frank Schaller 180 and Rick Alloi 220.

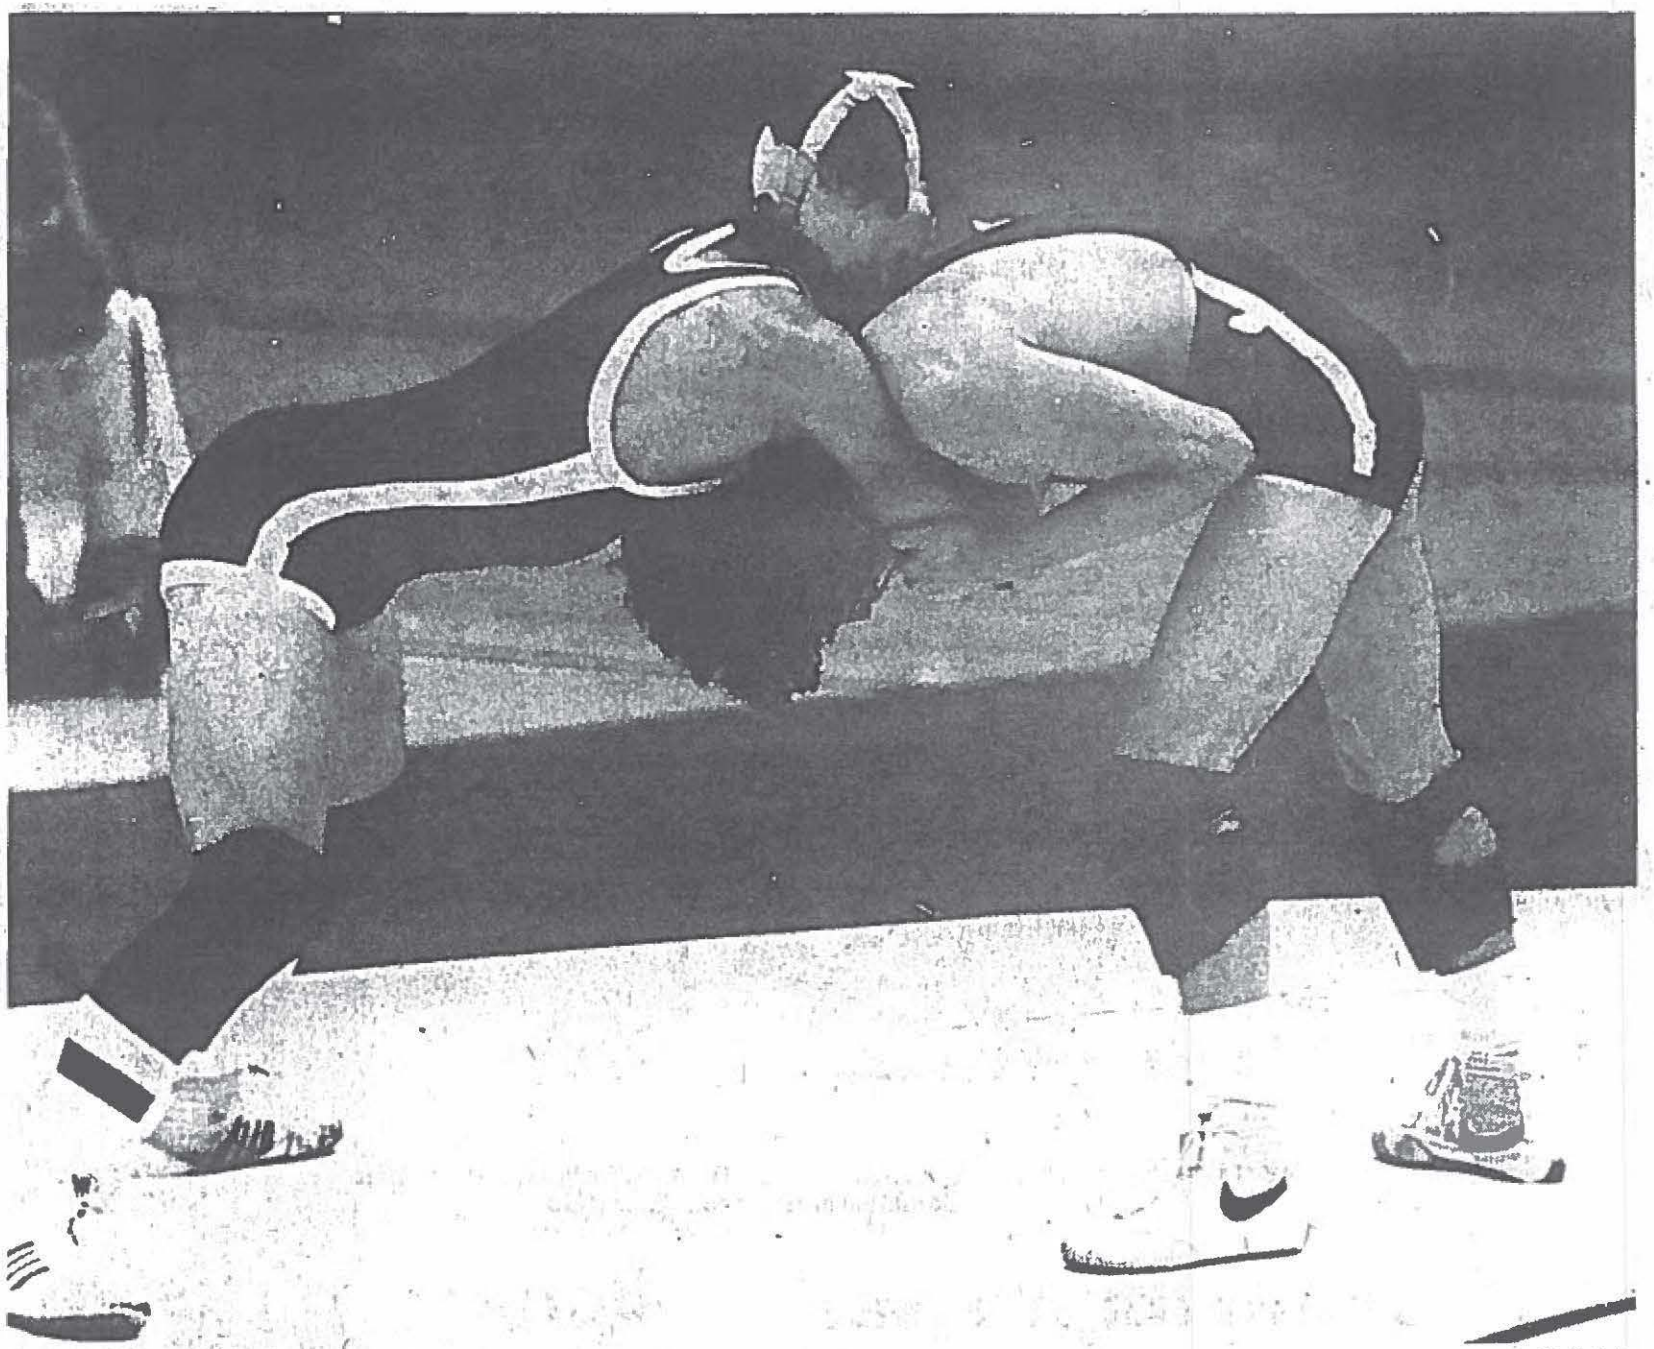

Veteran team members include Joe Picton 134, Chris Foote 142, Henry Lianga 158, Randy Budner, Mike Warkanski or Dave Duhaime at 168 and Dan Muckle 190.

Some of the best news for the LU squad this week was the second place finish by Sean Barry in the annual Great Plains meet at Lincoln, Nebraska.

More than 400 matmen were entered, including a number of U.S. matmen who will be at the 1980 Olympics in Moscow. Barry was with a 15-member Canadian National squad which placed second, to the Sunkist Kids from Arizona, out of 50 teams.

Barry had a list of 37 matmen in his division and en route to the final he knocked off nine opponents. His only loss came at the hands of two-time U.S. collegiate champ and American National champ Randy Lewis.

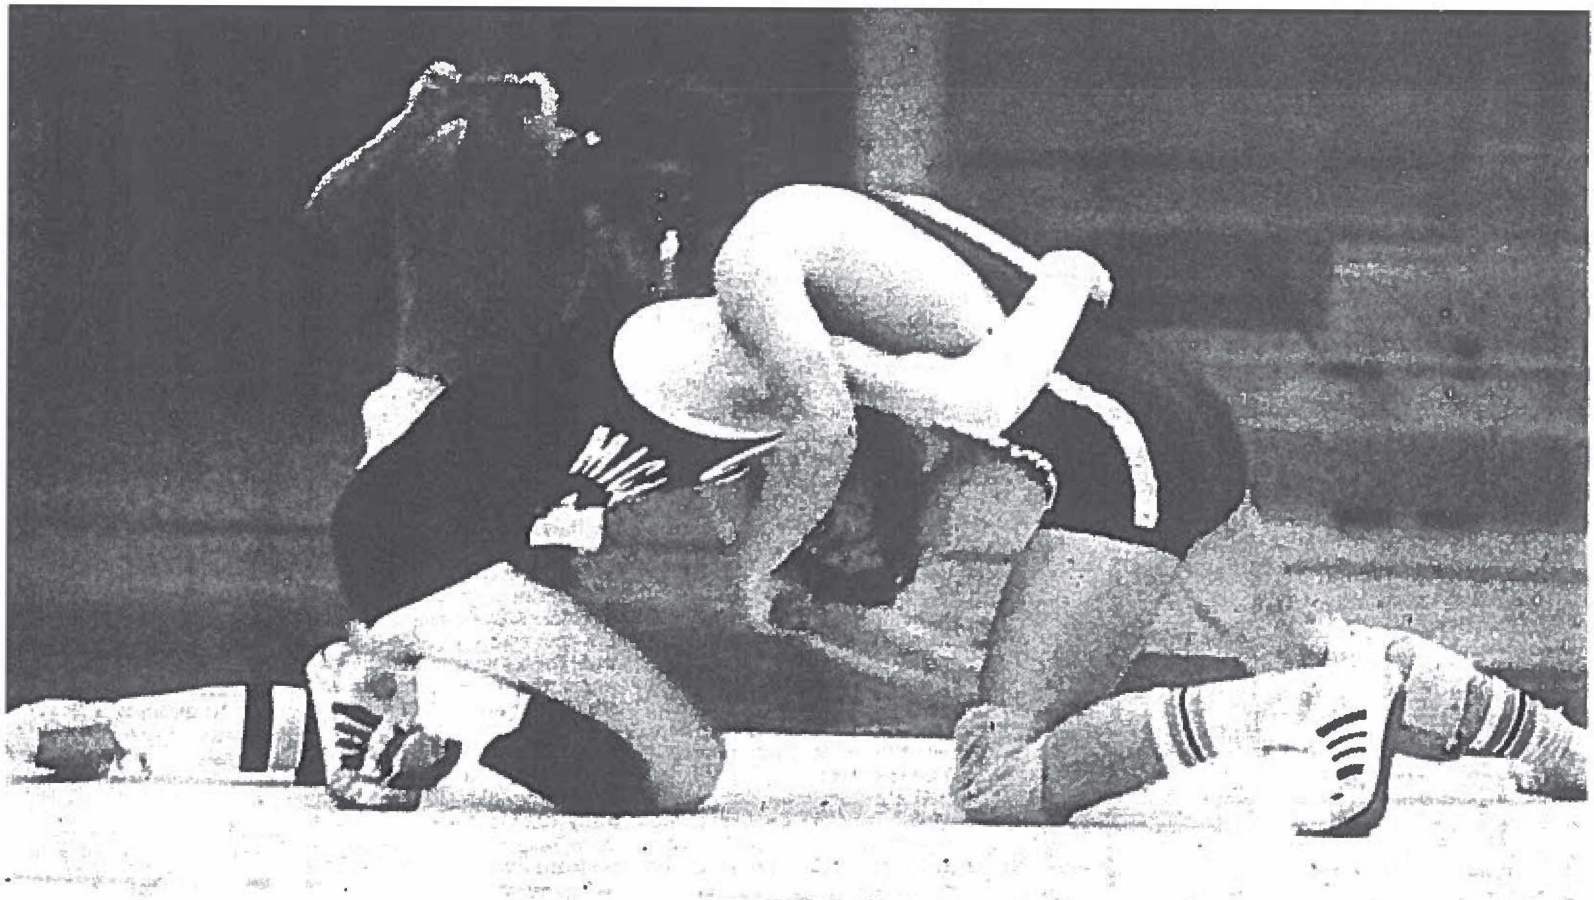

That proved to be a highly entertaining match before about 2,000 fans. It was tight until Lewis capitalized on a solo error by Barry and grabbed the victory.

Staff photo

Fight to draw

Greg Portor, left, of Michigan Tech has a head lock on Lakehead University's Mark Jodoin who hails from Rainy River. The action was Friday at LU in a dual meet between LU and Michigan Tech. More wrestling takes place at Lakehead this morning when teams compete in the Fall Open tournament. The dual meet Friday followed opening ceremonies of the Northwestern Ontario Regional Games trials which are being held today and Sunday at various sites in the city. Portor and Jodoin fought to a draw in the 118 class.

Lakehead tops dual meet

Staff photo

Steve Mass of Lakehead has a firm grip on Tom Morgan, left, of Michigan Tech during a bout between 109-pounders at a dual wrestling meet Friday night at the LU fieldhouse. Mass carried on for a victory on superiority (12-point margin or more) with Lakehead easily posting a 34-16 victory. Lakehead was one of two city teams entered in the annual Fall Open meet today in the LU gym. The other entries were from Regina, Timmins and Michigan Tech..

Argus, 16 November 1979

The Lakehead Fall Open, It's wrestling not rasslin'

Mention the word wrestling at your next cocktail party and check for a response. You will probably be hit with terms like 'the Claw', 'flying leg scissors' or 'a drive into the turnbuckles'. Names that will come up in conversation may be the Crusher, Mad Dog Vachon or the Super Destroyer.

Ask Bob Thayer about wrestling and you won't get the same reply. Thayer is the coach of the Lakehead Wrestling Club that is comprised of both LU students and Thunder Bay city residents. When he talks wrestling it's a three round event without ropes, foreign objects or characters like The Crusher. Thayer's more likely to mention people like Dan Gable, Sean Barry or Gord Garvie.

This week Thayer's talking about the **Lakehead Fall Open**, a five team event that runs this Saturday at the Sanders Fieldhouse. Pitted against the LU Nor'Westers will be teams from Michigan Tech, the universities of Alberta, Saskatchewan, Regina and Calgary.

GPAC—CAN WEST merge

Under Thayer and his predecessor, Garvie, the Nor' Westers have had a permanent headlock on the Great Plains Conference. This year things may change. GPAC tournament sports, like wrestling and swimming, will hold their championships in conjunction with Canada West conference schools. The presence of the western schools at this weekend's event will only serve as a very early preview for next February's finals.

Calgary will send three competitors, two of national calibre. Leading the Dinosaurs will be Ron Moncur, the 1978-79 CIAU champion at 118 lbs. and a member of Canada's national team. He will be joined by the national 'B' team's CIAU silver medalist, 177 lb. Bob Ecklund.

Alberta, under coach John Barry, is going after its third straight Can West title and he sees this country west of Wawa this year as a race between his school and Thayer's. Three of Barry's grapplers were very successful last year. Pierre Pomerleau is the defending CIAU champ at 158 lbs. while Glenn Perch was the runner-up at 126 lbs. Scott Tate, who wrestles at 118 for Alberta, was a Pan-Am junior champion.

Your Lakehead lineup

As always Thayer will counter with a star-studded Nor'Wester lineup. "Wrestle offs" at yesterday's practice were to determine who would compete this weekend in four conflicting categories. Those already named to this weekend's team are Peter Fournier (118), Dale Adams (126), Mark Jodoin (134), Joe Picton (142), Randy Budner (167), Frank Schaller (177) and Rick Alloi (220).

In a preview to the Fall Open Lakehead faces Michigan Tech at 6:30 tonight in the fieldhouse just prior to the men's basketball game. The Open itself gets under way tomorrow at 9 a.m. with the finals being wrestled at 4 p.m. And remember, it's wrestling not rasslin'.

PAYING YOUR DUES -
WORKING OUR WAY
THROUGH THE
78/79 SEASON.

LU team first in mat tourney

One of the largest tournaments in the country was held this past Grey Cup weekend in Toronto. Over 250 wrestlers from all parts of Canada competed in the one-day event. The competition was extremely tough due to the presence of Canada's Nationally Carded athletes as well Quebec entered their provincial team. This team is funded by the Quebec government. Lakehead was the top team.

The Lakehead wrestlers competing in the tournament did an excellent job. Many of the Lakehead wrestlers who did not finish in the top three had an excellent tournament. Dale Adams at 126 had 27 wrestlers in his weight division. Prior to being eliminated from the tournament he defeated Al Tshirhart a nationally carded athlete 6-5. This was a major victory for Adams.

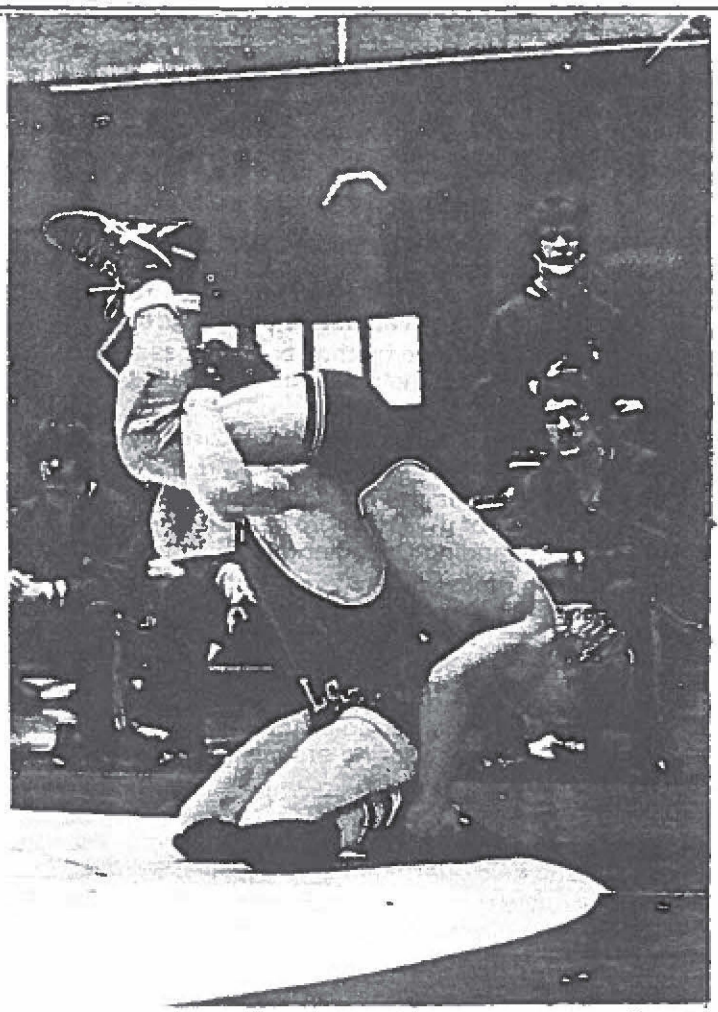

As well in the 150-pound class both Henry Liangia and Roger Sampson finished 5th and 4th out of 22 wrestlers. Sampson had a very close match with nationally-carded wrestler Doug Yeats. In the 180-pound class Dan Muckle pinned two opponents prior to elimination. A pleasant surprise for Coach Bob Thayer was the performance of freshman Joe Picton who won a bronze medal in the 134-pound class. He defeated four opponents before losing to two nationally carded athletes. He lost to Guelph's George Apostolou and team mate Sean Barry. Also finishing with a bronze medal was Randy Budnar in the 167 pound class. Budnar won several matches before being eliminated by nationally-carded athlete Clive Llewellyn.

Capturing silver medals for Lakehead were team captain Nick Cipriano (142), 2nd year wrestler Mark Jodoin and veteran performer Steve Daniar in the 220 Pound class. Cipriano lost a close 5-4 decision in the finals to Guelph's Bob Pornyk. Jodoin lost a 6-3 decision to National Champion George BGunosky in the finals. Steve Daniar lost a close decision to Mike Kappel of Guelph.

Gold medals were captured by Sean Barry at 134 and clark Davis at 190. Barry defeated Guelph's George Apostolou in the finals to win the gold. To capture the gold Davis had to defeat National Champion and Commonwealth gold medalist Richard Deschateletes. The match between the two was extremely close with both wrestlers displaying ther skills. The crowd became totally involved in the match. Davis scored two points with only seconds remaining to capture the gole with a 9-8 decision.

Team standings were as follows: 1st Lakehead, 2nd Guelph, 3rd Western, 4th Quebec Provincial Team.

Argus / 30 November 1979

Sean Barry (Top) with LSSC's Steve Bryan

Western Grapplers Here

Last weekend Lakehead University was the site of a dual meet between Lake Superior State and Lakehead. The Lake Superior State team was led by two All-Americans in Ted Yachanin at 126 lb. and NAIA finalist, Steve Bryan. Over the past several years, Lake Superior State has been one of the top teams in NAIA and NCAA division II competition.

In the opening match, Lakehead's Pete Fournier defeated Bill Brey by a score of 6-3. Fournier, a freshman, utilizing a single leg attack totally dominated his opponent. At 126 lb. Mark Jodoin wrestled All-American, Yachanin to a 12-4 loss. However, Coach Thayer feels that Jodoin did an excellent job against this very tough opponent from Lake Superior State. At 134 lb. Lakehead's Joe Picton surprised everyone by performing a front suplay and pinning his opponent. In the 142 lb. class, Sean Barry wrestled Lake Superior State's Steve Bryan, a two-time All-American and the match was an excellent one with the score 2-2 at the end of one period. However, a head clash resulted in five stitches to the eye of Steve Bryan and a forfeit of the match.

The success enjoyed by Lakehead in the early matches came to an end as Chris Foote, Larry Moro and Mike Warbanski all went down to defeat at the hands of their tougher Lake Superior State opponents.

However, Louis Kok reversed the trend by defeating his much heavier opponent, Mike Hufnagel by a score of 12-8. The final match of the evening was then won by freshman Frank Schaller over Kevin Friddle by a superior score of 27-0.

The final team score was Lakehead University 30, Lake Superior State 21.

Tonight at 7:30 p.m., Lakehead will host last year's CIAU champions, the University of Western Ontario. In the past, Western has featured many of the outstanding wrestlers in the country with such names as Clive Llewellyn and Egon Beiler. They have had representatives on Pan Am, Olympic and Commonwealth Games teams over the past ten years.

This week's line up will feature three outstanding Western wrestlers. Leading the group is Ray Takahashi who represented Canada at the Olympics in Montreal in 1976. As well, Takahashi competed for Canada in the 1978 Commonwealth Games in Edmonton, winning a gold medal, a performance that earned him the oustanding wrestler of the year award. At the present time, Takahashi is a member of Canada's National Team.

The team will also feature Thunder Bay's Lloyd Renken, a former Lakeview High School wrestler. Renken is now a member of Canada's National Team. Lloyd will be one of the prime candidates for the Olympic Team in the 149.5 lb. class.

The third member of the group is Dave Gordon. Gordon represented Canada in the recent Pan American Games in San Juan, Puerto Rico. As well, Gordon is a member of Canada's National Team in the 114 lb. class.

The Lakehead line up for the dual meet will be decided by intra-squad competitions being carried on this week.

MERRY CHRISTMAS
&
HAPPY NEW YEAR

JABBERWALKIES

ANOTHER STEP UP THE LADDER FOR L.U. - C.I.A.U.'s 1979.

March 9, 1979

Wrestlers take six golds at the CIAUs

The Canadian Intercollegiate Athletic Union's wrestling championships were held at the University of Guelp h last weekend and wrestlers from Lakehead University did extremely well, capturing six medals.

The CIAU's attracted wrestlers from all across the country, including 11 nationally carded athletes, and the result was excellent, tough competition.

In the 120 lb. class, Mark Jodoin had a real battle as there were four carded athletes in his weight division. Jodoin won his first match against Ontario carded Jim Stitt by a pin.

In the second match Jodoin lost to nationally carded George Gunosky then came up with an outstanding performance and defeated Tate 14-5. Jodoin won another match before losing to Andy Longpre, the eventual gold medalist.

Dale Adams, at 126, did not win a medal. However, he did an excellent job in the tournament and only the point system prevented him from a medal.

In his first match he defeated George Apostolou, a carded athlete 9-4. Adams then lost a close match to nationally carded Ray Takahashi. He went on to win two more matches before losing to Glynn Perch of University of Alberta. Under the draw system instead of finishing in third place he finished fourth.

Lakehead team captain Nick Cipriano, at 142, finished with a bronze in spite of a tie match with gold medalist John Park.

At 150, freshman Henry Lianga won a silver medal by easily beating four other opponents in his division. His only loss was to Thunder Bay native Lloyd Renken. Renken downed Lianga by an eight-point margin in the finals.

Randy Budner

. . . four wins

Randy Budner, at 167, wrestled his way to a silver medal by beating four opponents. The most notable win for Budner was over John Hemdige of the University of Saskatchewan, a former national junior champion. However, Budner lost a hard fought match to John Dwyer of Western, a member of Canada's National team.

In the 190 divisions, Derek Ginter won a bronze medal. Ginter got off to a good start by defeating Serebrin of the University of Western. Ginter lacked the experience to challenge Richard Deschateletes of Guelph, a national team member, who pinned Ginter in the first period.

Phil Colyer in the 158 division, lost two close matches and ended up with the bronze. Colyer had an extremely tough match against Jame Bethune of Guelph. Bethune won the match in the dying seconds of the third period.

Argus — 25 January, 1980

Guelph Tourney: Wrestlers second

This past weekend some 300 wrestlers from all across the country converged on the campus of the University of Guelph for the Guelph Open Wrestling Tournament. The meet was extremely tough due to it being an Olympic year. The net effect was to have the majority of Canada's National Team present. There were over 20 teams competing in the one-day event.

The LU team was led by Sean Barry, who won the only gold for Lakehead. Barry had a total of six matches on the day and decisively defeated all six opponents. His toughest match in the tournament came, as one would expect, in the finals where he out-pointed Andy Longpre of Guelph by a score of 6-0.

The only silver medal won by a Lakehead wrestler was captured by Steve Daniar. Steve dropped a weight division by wrestling at 190 lb. instead of 220. The weight loss appeared to have no ill effects on the experienced Daniar as he easily defeated all of his opponents prior to the finals. However, in the finals he met a very determined Doug Cox, who demonstrated his quickness in out-pointing Daniar in a close match. Unfortunately for Daniar, he injured a knee in the match. it was this type of injury which prevented Daniar from representing Canada at the World Championships in San Diego.

Two bronze medals were won by Lakehead wrestlers who unfortunately should have captured the silver medal. Unfortunately, the way the tournament was drawn up, resulted in Dale Adams defeating the silver medalist but only taking home the bronze. The silver medalist, Scott Tate of the U. of Alberta lost two matches whereas Adams lost only one match to National Champion Ray Takahashi. Louis Kok suffered a similar fate as he only lost to Olympic Team member, Clive Llewellyn by a score of 5-2.

DALE ADAMS ..... **bronze medal**

Finishing in 4th place for Lakehead were Henry Lianga and Joe Picton. Lianga lost a very close match to former National Team member Leo Reyns. Picton, however, was decisively beaten by Glenn Sikura of Guelph in the semi-finals. Sikura represented Canada at the Jr. World Championships in Mongolia.

Two young members of the Lakehead squad that turned in outstanding performances were Larry Moro and Mike Warbanski. Both competed in the toughest weight division, the 158 lb. class. Both finished in the top eight with 26 competitors in the weight division.

Due to the nature of the tournament, team standings were not kept. However, Lakehead was locked in a battle with Univ. of Western Ontario for 2nd place.

JAN-16/80

Local grapplers set for Guelph

Thunder Bay wrestler Sean Barry, who will be grappling at either 134 or 142 pounds, will head up a Lakehead contingent that will be travelling to the Guelph Open Jan. 19. All told, 15 wrestlers from the city are expected to make the trip.

Lakehead club captain Steve Daniar will be wrestling at 220 pounds. This will be his first major competition since sustaining an injury to his knee. Daniar has been working out twice a day and appears in excellent form.

Lakehead University team captain Randy Budner is rebounding from a slow start and is regaining the form that has made him one of the top 167-pound wrestlers in Canada.

Dale Adams, who beat out Ern Roth of Simon Fraser in his most recent match, is moving into national prominence and he will also be along for the Guelph trip.

Chris Foote, Joe Picton and Henry Lianga could add a lot to the team's performance while Larry Moro and Mike Warbanski will be out to gain some experience against tough competition expected at the open.

Frank Schaller was injured in Lakehead's meet against Simon Fraser and will not be making the trip.

Three young Lakehead club members who will be making the trip to Guelph are Lou Kok, Gord Sturrock and Francis Clayton.

It's 1980 and an Olympic year. This means that the Guelph Open will be extremely tough as it will attract wrestlers from the United States. Already expected are the Michigan Wrestling Club, New York Athletic Club and Athletes in Action. Several eastern United States universities are expected to send teams as well.

Alloi and Barry earn gold medals

THUNDER BAY — In recent action Lakehead University wrestlers sparkled in two meets, the Michigan Open tourney at Detroit and Windsor Open at Windsor, Ont.

The Lakehead squad dominated the Windsor event. Joe Picton won four matches before losing in the 142-pound final to tough George Apostolou and at 150 pounds Henry Lianga also lost a close bout to Rob Moore of Toronto.

A gold came in the heavyweight division as Rick Alloi won three matches, taking his first victory of the season. At 177 pounds Frank Schaller took a silver. He beat gold medalist Pasi Holiklo but was upset by the bronze medalist.

Randy Budner finished fourth at 167 pounds, winning three of five matches.

Three other Lakehead matmen travelled to Detroit and Sean Barry returned with a gold medal. He wrestled in a higher weight division than normal and took top spot, despite losing 4-3 to a heavier Michigan State opponent. The U.S. wrestler was left with the silver due to an earlier defeat.

The other Lakehead grapplers were Dale Adams and Mark Jodoin. Adams finished sixth of 21 entries and had a difficult draw, meeting both the first and third place finishers.

For Jodoin it was a disappointing tourney. He was eliminated early as he lost to the eventual gold medalist from the New York Athletic Club.

There were 15 teams entered at Windsor and 20 in the Detroit tourney.

A LOOK WAY.... BACK!
WHO IS THIS "BIG" GUY? (NICE HAIR)

LU wrestlers looking strong

SAT. OCT. 14/78

The 1978-79 edition of the Lakehead University wrestling squad is looking good and head coach Bob Thayer has every reason to be optimistic. An impressive list of returning veterans include may of Canada's top grapplers.

Heading the list is Thunder Bay native Steve Daniar, a recent gold medalist at the Commonwealth Games in Edmonton. Daniar is a senior Canadian champion and he'll compete this year in the 198-pound division.

A very exciting wrestler returning to Lakehead is Sean Barry. This past August Barry competed in the World championships at Mexico City where he finished a highly respectable seventh.

Also returning for another year is Clark Davis. He's also a senior National champion and will compete in the 180-pound division this winter.

In that same weight class will be Dan Muckle, a senior who looks impressive this year. Muckle has been working very hard through the summer and that's improved his performance considerably.

A potential National champ, Phil Colyer, has recovered from a bad injury to his ankle and has looked very strong in practice. Colyer is a graduate of Thunder Bay's Lakeview High School where he was coached by Reino Niemi. He's a graduate student at Lakehead.

Another graduate student who will be competing for Lakehead for the final season is the 1977-78 team captain Nick Cipriano. Nick was a Canadian senior champ last season and hopes to repeat that feat.

Two other matmen who made their presence felt on the National scene were Rainy River native Mark Jodoin and Thunder Bay's Randy Budner. Budner finished with a silver medal in last year's senior Canadian Greco-Roman event and is looking for the championship.

Other veterans returning who should perform well this season include 126-pounder Dale Adams, Chris Foote at 134 pounds and Roger Sampson at

ANDY JACKSON
...big heavyweight

148 pounds. In the heavyweight division sophomore Andy Jackson, a 6'5" 260-pounder, should do well in the Nationals.

Medals collected by LU mat team

FEB 12/80

Lakehead University wrestlers enjoyed some success on a recent road trip which saw them compete at the Michigan Open in Detroit and also just across the river at the Windsor Open.

The Lakehead squad dominated the Windsor event. Joe Picton won four matches before losing in the 142-pound final to tough George Apostolou and at 150 pounds Henry Lianga also lost a close bout to Rob Moore of Toronto.

A gold came in the heavyweight division as Rick Alloi won three matches, taking his first victory of the season. At 177 pounds Frank Schaller took a silver. He beat gold medalist Pasi Holiklo but was upset by the bronze medalist.

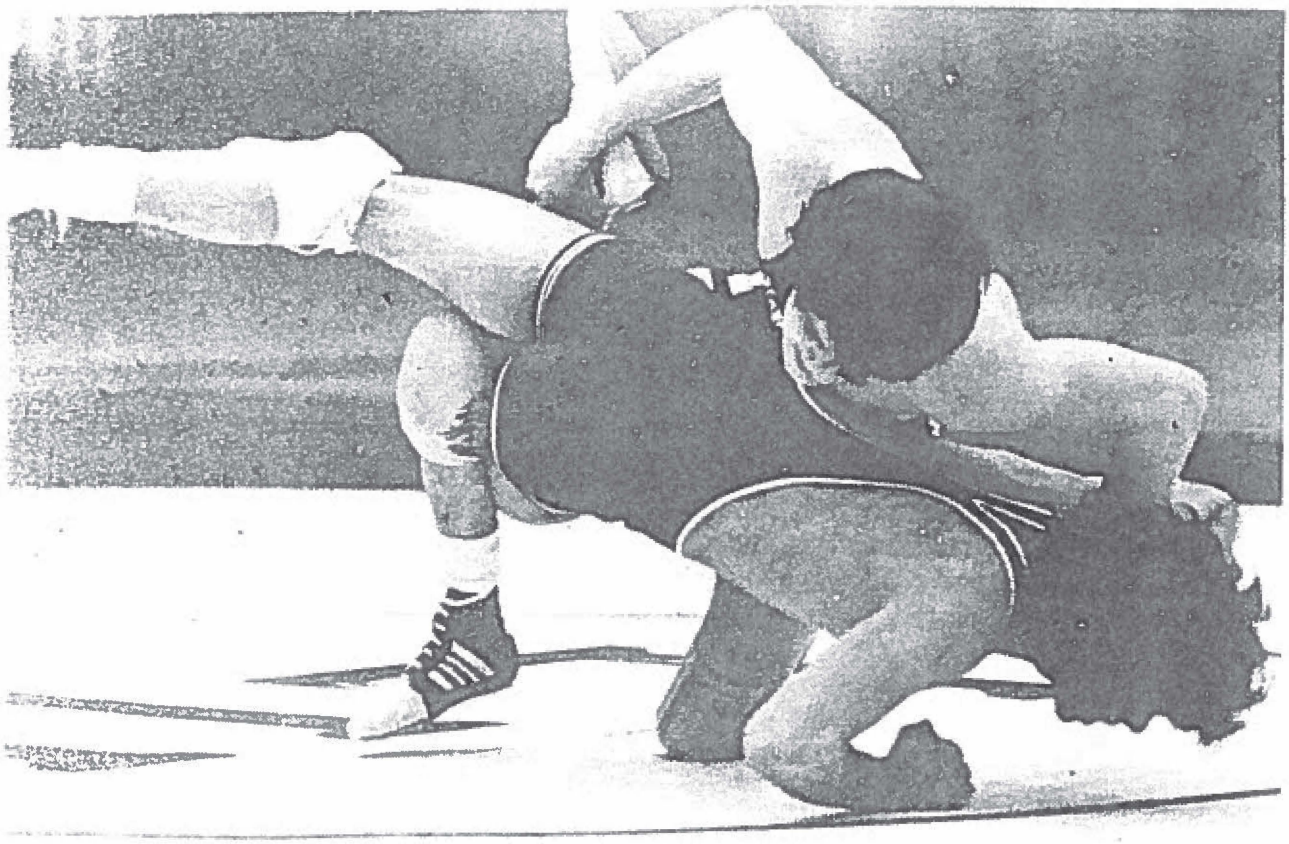

Randy Budner finished fourth at 167 pounds, winning three of five matches.

Three other Lakehead matmen travelled to Detroit and Sean Barry returned with a gold medal. He wrestled in a higher weight division than normal and took top spot, despite losing 4-3 to a heavier Michigan State opponent. The U.S. wrestler was left with the silver due to an earlier defeat.

The other Lakehead grapplers were Dale Adams and Mark Jodoin. Adams finished sixth of 21 entries and had a difficult draw, meeting both the first and third place finishers.

For Jodoin it was a disappointing tourney. He was eliminated early as he lost to the eventual gold medalist from the New York Athletic Club.

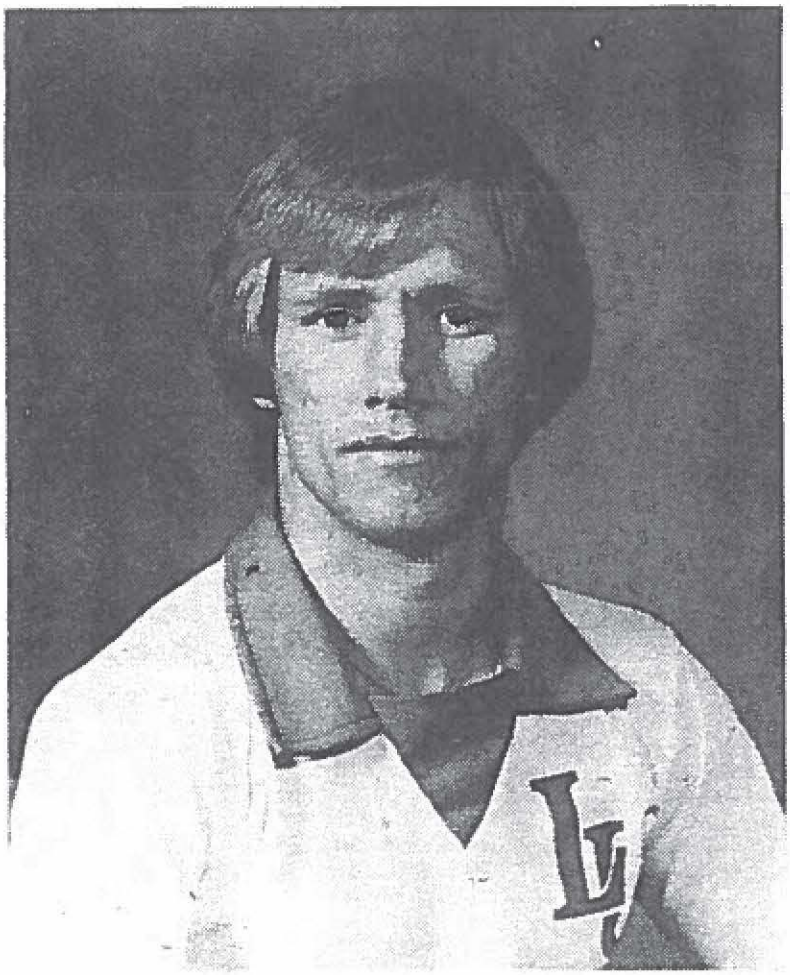

There were 15 teams entered at Windsor and 20 in the Detroit tourney.

LU matmen tops at Alberta meet

EDMONTON (CP) — Lakehead University Nor'Westers were the only unbeaten team sand over-all team winners but Alberta Golden Bears won the team title Saturday at the Canada West University Athletic Association Wrestling Championships.

Lakehead, one of two Great Plains Athletic Conference teams competing in the six-team, two-day tournament, handed Albert its only loss Saturday and ended the tournament with a perfect 5-0 record.

In dual meets involving CWUAA schools, however, Alberta was unbeaten in three starts, capping their second straight conference title with a 50-10 whipping of Saskatchewan Huskies.

Alberta ended with 46 team points, with Calgary Dinosaurs second with 27, followed by University of British Columbia with 23 and Saskatchewan with 19.

Lakehead was the better of the two GPAC teams, scoring 58 team points to Regina Cougar's 20.

FEB. 13/80

LU mat squad readied for championship meet

This past weekend, all members of the Lakehead wrestling Nor'Westers were not competing as they were preparing for this weekend and the upcoming Canada West championships at the University of Alberta.

In the previous week, Lakehead grapplers were competing against each other for the privilege of representing Lakehead at the Edmonton championships. There were a couple of excellent wrestle-offs at the 134 and 158-pound class. At 134, Joe Picton faced a determined opponent in Dave Paterson. In spite of two previous losses to Picton, Paterson forced him to come up with two fine performances.

At 158, Lakehead team captain Randy Budner met the less experienced Mike Warbanski. Warbanski, still a junior, demonstrated great poise and skill in his two matches. Budner, however, was too experienced and Warbanski lost two straight.

According to coach Bob Thayer, the team has been working very hard and appears ready to wrest the title away from the returning champions, University of Alberta.

Sean Barry, a member of the Lakehead wrestling team will be leaving this week for Havana, Cuba and the Cerro Pelado International Wrestling Meet. Barry is a returning champion as he won the 125.5-pound-class in 1978. In addition, Barry was selected as the outstanding wrestler in the tournament.

The tourney this year will be extremely tough with wrestlers from all over the world competing. The very fact that it is an Olympic year elevates the importance of the competition. Some of the top wrestling countries that will be present are Russia, Yugoslavia, Hungary, East Germany, the United States and a host of Cubans.

Due to the size of the tournament, it will be run over a three-day period.

Following is a list of the Lakehead grapplers who will be appearing in the Canada West meet, which will run Thursday, Friday and Saturday.

Rick Kurts; 110 pounds. Mark Jodin, 118 pounds. Dale Adams, 126. Joe Picton, 134; Henry Lianga, 142; Larry Moro, 150; Randy Budner, 158; John Taylor, 167; Frank Schaller, 177; Mike Warbanski, 190; Rick Alloi, 220. Andy Jackson, heavyweight.

Lakehead wrestlers set for CIAU meet

THUNDER BAY — A contingent of 10 Lakehead University wrestlers will head for Saskatoon this weekend for the 1980 Canadian Intercollegiate Athletic Union championships.

The 10 Lakehead matmen qualified for the CIAU meet at the Great Plains Athletic Conference and Canada West Conference meet. At that tourney Lakehead won four weight divisions and had six other grapplers with second-place finishes.

With a 10-member entry that will be the largest single group from any university at the CIAU.

The full Canada West squad will likely face its toughest opposition from the Ontario West team, which is comprised largely of wrestlers from Guelph, Western Ontario and Waterloo universities.

Each weight division will present a real challenge to the LU matmen. At 118 pounds Mark Jodoin's chief competition will come from York University's Jim Stitt, a former CIAU champion.

MARK JODOIN
...118-pound entry

Dale Adams, at 126 pounds, will have to contend with National champ Ray Takahashi of Western, no stranger to LU grapplers. Adams has been close to Takahashi on several past occasions, but has yet to defeat the former Olympian.

At 134 pounds, Guelph's Bob Pronyk will provide LU's Joe Picton a stiff test. If Picton wrestles well he could dethrone the tough Guelph competitor.

Henry Lianga, at 142 pounds, is still recovering from a knee injury which forced him to forfeit at the Canada West final. But despite the injury, Lianga should be in the race for gold. Also, Larry Moro at 150, Randy Budner at 158 and Frank Schaller at 177, should be bidding for golds.

In the heavier weight divisions Mike Warbanski at 190 pounds, Rick Alloi at 220 and heavyweight Any Jackson will all have their hands full, as the upper weight classes all appear to be extremely competitive. But a solid effort and any or all of those three Lakeheaders could return home with a medal.

For the Lakehead and Canada West squad the CIAU championships begin Friday at the University of Saskatchewan in Saskatoon.

Mat 'Westers shown best against rest of the west

This past weekend a well-prepared Lakehead University Nor'Westers team headed to Edmonton for their conference championships. In the past Lakehead has been in the Great Plains Athletic Conference but that's involved just two schools, LU and Regina, and the result has been a foregone conclusion.

The governing powers saw fit this year to include LU in the Canada West University Athletic Association meet. Therefore Nor'Westers took the challenge and went to Edmonton to battle the best the west could throw at them. That proved plenty good enough as they defeated all four CWUAA teams involved as well as Regina. Alberta finished 4-1, UBC, Calgary and Saskatchewan all 2-3 and Regina 0-5.

The tourney was a two-day affair that was a series of dual meets between the six schools. Lakehead faced Saskatchewan first and from the outset it was clear Lakehead had total domination in mind' That is what it turned out to be as LU won by an overwhelming 53-3 point total.

Round 2 saw Lakehead go against British Columbia and, after some long, hard battles, Lakehead was again victorious, taking nine of 12 matches and outscoring their opponents 40-15. One of the highlights of this round was LU's Henry Lianga against UBC's Peter Farcus, a former CIAU champion. It appeared this would be a long and close match but Lianga suffered a re-injury to his knee which forced him out of the competition.

JOE PICTON
...not scored on

RANDY BUDNER
...was unbeaten

ANDY JACKSON
...pinned Albertan

In round 3 Lakehead met Calgary, determined to keep their victory skein going. This desire paid off as they won 10 of 12 possible victories.

Saturday saw the teams weighing in again and LU going against its GPAC rival, Regina. As has been the trend in recent years Lakehead's domination was unquestioned. Regina managed to win just one of the 12 weight classes.

That set up a final round confrontation between LU and the other unbeaten school, Alberta. The first few matches of the dual meet indicated it would be a see-saw battle.

Alberta won the first bout but then Mark Jodoin quickly changed the trend by pinning his opponent in the second match. LU's Dale Adams then lost a close and controversial fight to Pyrch of Alberta. The next two matches were LU victories. Joe Picton at 61 kg. continued his outstanding performance by handily defeating his opponent and manintaining his record of not being scored on in the entire tournament.

Lianga then rebounded from his knee injury for a win. At 68 kg. Larry Moro lost a well-fought battle. Team captain Randy Budner of LU then continued his unbeaten tournament performance with a 9-4 win. The teams split the next four matches. John Taylor lost a hard match to Pomerau of Alberta, Frank Schaller of LU won a close one, LU's Mike Warbanski lost and then Rick Alloi of Lakehead pinned his opponent in the second round. Last match of the tourney saw Andy Jackson of LU top off the successful weekend by pinning his opponent'

Over-all Lakehead wrestlers captured four firsts, six seconds, one third and one fourth. This weekend Nor'Westers have a dual meet at Northern Michigan.

Lakehead has 11 members on GPAC wrestling team

FEB, 27/79

LEARNING WHAT IT TAKES TO WIN.... THE TEAM OF 1980 IS ON ITS WAY....

When the Canadian Intercollegiate Athletic Union holds its wrestling championships this weekend in Guelph, Lakehead University will be represented by 11 top-notch wrestlers.

The 12th member of the team will be Glenn Bigelow of the University of Saskatchewan, Regina. He'll wrestle in the 220-pound division.

On the weekend Lakehead wrestlers captured the Great Plains Athletic Conference championship at Regina where they actually dominated the competition.

Steve Moss set the tone as he won his first match for LU by a pin over Tsang of Regina.

Several of the freshmen dominated their opponents.

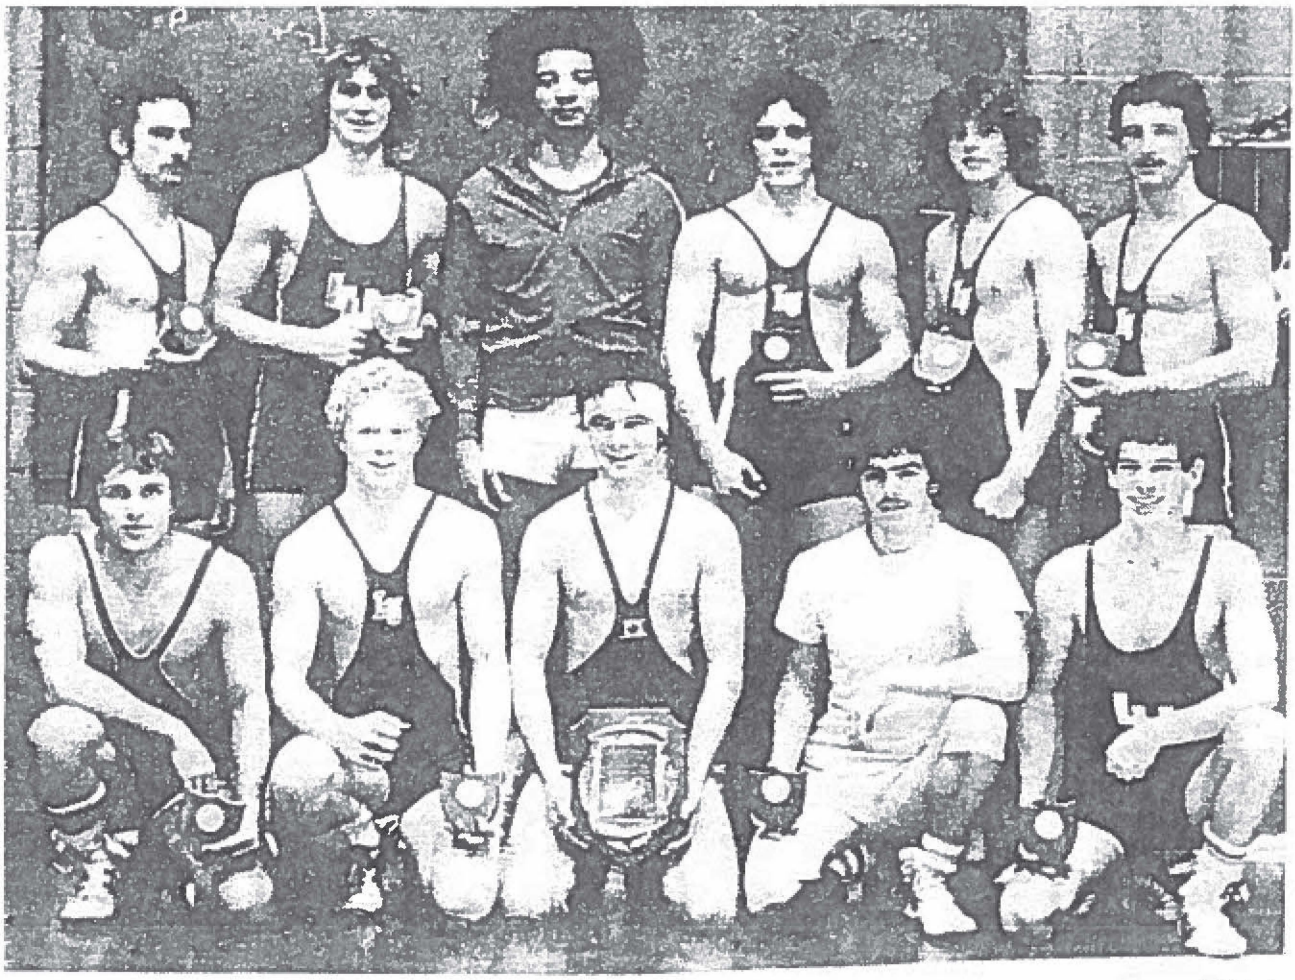

In the 134-pound class Joe Picton won by a pin in the second period over Emile Beaudry who is in his third year at Regina; at 150 freshman Henry Lianga completely outwrestled veteran Murray Weisgerber in what was one of the best matches of the tournament, Lianga winning by 30-4; at 177 John Taylor, another freshman, outmuscled Les Treso.

Lakehead's veterans also had a good day. Phil Colyer defeated Les Krentz in a lack lustre match as Krentz appeared to be somewhat afraid of Colyer. Nick Cipriano built up a big lead before pinning Brian Kretf (142) in the third round.

Other LU winners were, Randy Budner at 167, Dale Adams at 126, Andy Jackson at heavyweight, Derrick Ginter at 190 and Mark Jodoin at 118.

The Lakehead wrestlers named to the GPAC team with Regina's Bigelow are, Moss (110), Jodin (118), Adams (126), Picton (134), Cipriano (142), Lianga (150), Colyer (158), Budner (167), Taylor (177), Ginter (190) and Jackson, heavyweight.

The team leaves for Guelph Thursday.

Bring home 7 medals

LU WRESTLERS #1 AT CIAUs

by Corey Cano
Sports Editor

The 1980 Canadian Intercollegiate Athletic Union wrestling championships were held last weekend in Saskatoon and Lakehead University dominated the two day meet. The event, hosted by the University of Saskachewan, saw a 10-member Lakehead squad return to Thunder Bay with 7 medals (1 gold, 4 silver and 2 bronze).

The Nor'Westers were proclaimed university champions and they led the way for a combined Great Plains Canada West squad to claim the team crown. The combined GPAC-CWUAA team finished with 39 points and that was enough to dethrone the defending champion Ontario University Athletic Association who finished one point behind with 38.

As well as Lakehead's seven medals, four Thunder Bay high school graduates, who are now attending universities in other parts of Canada, claimed gold medals. The Nor'Westers' Randy Budner won a gold at 72 kg. Brian Renken, attending the University of Ottawa at 80 kilos, his brother Lloyd Renken of the University of Western Ontario at 68 kilos, Steve Daniar of McGill University at 86 kilos, and heavyweight Wyatt Wishart of Concordia University all won gold medals and did Thunder Bay proud.

Silver medalists for Lakehead were Mark Jodoin at 54 kg, Dale Adams at 57 kg, Rick Alloi at 100 kg and heavyweight Andy Jackson. The Nor'Wester bronze medalists were Joe Picton at 61 kg and Larry Moro at 68 kg. Another Thunder Bay high school graduate, Ed Slabikowski of the University of Guelph also won a bronze. Missing out on the medals from the Lakehead squad were Henry Lianga at 65 kg, and Frank Schaller at 80 kg. Both finished 4th in their respective weight classes and turned in credible performances. Mike Warbanski had it the roughest of all the Nor' Wester grapplers as he finished 6th in the tough 86 kilo class.

Randy Budner
CIAU gold medal

Budner won all of his matches en route to the gold medal with his toughest battle being a 6-4 decision over silver medalist Jamie Bethune of the University of Guelph in the final. Budner's other 3 wins were all by superior scores.

Wishart beat the 'Westers' Andy Jackson in his opening match and coasted to the gold. Jackson rebounded with 3 straight pins before dropping a 6-5 final match decision to Gavin Carrow of the University of Guelph. But by then Andy had locked up the silver medal behind Wishart, who repeated as the CIAU heavyweight champ.

Lakehead's Dale Adams gave a good run for the gold. He won a decision, lost a close 4-2 match to gold medalist Ray Takahashi of the University of Western Ontario and finished with two more easy wins.

Rick Alloi and Mark Jodoin both gave fine performances outside of their matches against the eventual gold medalists. Jodoin won three straight, dropped a 16-7 decision to 54-kilo winner Scott Tate of the University of Alberta and then closed with a victory. Alloi won 2 matches and then was drubbed 13-1 by 100-kilo winner Wayne Brightwell of the University of Guelph. Two more wins after that gave Alloi the silver.

The other gold medalists included Ron Moncur of the University of Calgary at 50 kg, Sam Turchiar of Concordia University at 61 kg, Peter Farkas of the University of British Columbia at 65 kg and Pierre Pomerleau of the University of Alberta at 76 kg.

Finishing behind our Lakehead University Nor'Westers in the schools team event were the Univ. of Guelph Gryphons in second place and the U. of Alberta in third.

Final Conference Standings:

Conference	Pts.
GPAC-CWUAA	39
OUAA	38
Canada West B	22
Quebec	17
Ontario B	13
Atlantic	3

L.U. VETERANS HANG IN FOR ONE MORE YEAR!

A LOOK AT THE 80/81 TEAM!

Mark Jodoin and Dale Adams named Lakehead Wrestling captains

Members of the Lakehead wrestling team and the Northwestern Ontario Olympic wrestling club selected Mark Jodoin and Dale Adams as co-captains of the Lakehead University wrestling squad. Both wrestlers are seniors at Lakehead and in physical education.

Mark Jodoin is a native of Rainy River, Ontario and wrestled for Rainy River High School under Jim Martindale. Last season Jodoin was the Canada-West-G.P.A.C. champion and finished second in the C.I.A.U.'s. As well, earlier this season Jodoin defeated Guelph's Andy Longpre, a former C.I.A.U. champion. Jodoin is one of the hardest working members of the L.U. squad.

The other captain, Dale Adams, is a native of Toronto. Adams finished second in the C.I.A.U.'s and second in the Olympic trials in London last spring. Like Jodoin, he is an extremely dedicated athlete.

Coach Thayer feels that the choice of team captains is an excellent one in that both athletes have the competitive background and dedication to the sport to lead the L.U. Nor'westers.

This weekend members of the LU Wrestling team will travel to the University of Regina for their annual invitational wrestling tournament. The tournament is an excellent one with virtually all members of the GPAC and Canada West participating.

MARK JODOIN

DALE ADAMS

Participating teams include U. of Alberta, U of Calgary, U. of Saskatchewan, Regina, and Minot State of North Dakota. The tournament will provide coach Bob Thayer with an excellent opportunity to get a good look at John Barry's U of Alberta squad. The University of Alberta finished second in the Canada West—GPAC championship and 3rd as a team in the CIAU's. As well, they have several outstanding wrestlers returning.

This will be the first competition of the new year for the Nor'Westers. The lineup for the weekend appears to be:

118 Eric Anderson, Regina
126 Dale Adams, Toronto
134 Mark Jodoin, Rainy Riv.
142 Joe Picton, St. Cathar.
150 Francis Clayton, Th. Bay
158 Henry Lianga, St. Cath.
167 Jon Taylor, Toronto
177 Frank Schaller, Cambridge
190 Derek Ginter, Th. Bay
220 Rick Alloi, S.S. Marie

FOUR THUNDER BAY wrestlers who won gold medals at the Canadian Intercollegiate Athletic Union wrestling championships at Saskatoon last week hold onto trophy upon arrival home Sunday. They are from left, Wyatt Wishart, Brian Renken, Randy Budner and Steve Daniar. Wishart and Daniar wrestled for Concordia University of Montreal, Renken for Ottawa and Budner for Lakehead U. Brian's brother, Lloyd, also won a gold medal for Western.

Five golds won at meet by Thunder Bay matmen

SASKATOON — Thunder Bay dominated the 1980 Canadian Intercollegiate Athletic Union wrestling championships here last week.

Lakehead University was the top school in the competition and helped lead a combined Great Plains-Canada West squad to the team championship. The GPAC-CWUAA squad finished with 39 points, one ahead of defending champion Ontario University Athletic Association.

Individually Lakehead University matmen returned with one gold medal, four silvers and two bronze. Also four other Thunder Bay high school grads, currently attending universities in other cities, captured gold medals.

The Thunder Bay gold medalists included LU's Randy Budner at 72 kilos, heavyweight Wyatt Wishart of Concordia, Brian Renken of Ottawa University at 80 kilos, Steve Daniar also of Concordia at 86 kilos and Lloyd Renken of the University of Western Ontario at 68 kilos.

Claiming silver medals for Lakehead were Mark Jodoin at 54 kilos, Dale Adams at 57 kilos, Rick Aloi at 100 kilos and heavyweight Andy Jackson.

Bronze medalists for LU were Joe Picton at 61 kilos and Larry Moro at 68 kilos. Another city high school grad, Ed Slabikowski of the Ontario squad, took a bronze at 86 kilos.

The remainder of the 10-man LU contingent (largest at the meet) also performed well. Henry Lianga was fourth at 65 kilos and Frank Schaller fourth at 80 kilos and Mike Warbanski was sixth at 86 kilos.

Finishing third in the overall team standings at 22 points was the Canada West B team, with the Quebec squad at 17, Ontario B 13 and the Atlantic at the bottom with three points.

Behind Lakehead among the schools event was Guelph as runner-up and Edmonton in third place.

THE MAN BEHIND THE TEAM!

Thayer Coach of the Year

MAR. 79

Coach Bob Thayer

Coach Bob Thayer of the Lakehead University Wrestling Team was named as the C.I.A.U. Wrestling Coach of the Year by the more than 20 Canadian Universities participating in the C.I.A.U. wrestling program. The announcement was made at the Canadian Intercollegiate Athletic Union Wrestling Championship held over the weekend at the University of Guelph. Thayer had previously been nominated twice for the award while coaching in the Atlantic Provinces but this is the first time that he has been awarded this honour. The award is a plaque accompanied by a gift presentation and is based on the overall season record and the dedication applied, not only to the individual team members, but also to the sport of wrestling itself. A fitting tribute to the finale of a successful season for Bob Thayer and the Lakehead University Wrestling Team.

BOB THAYER
...goes overseas

Thayer coach for mat tour

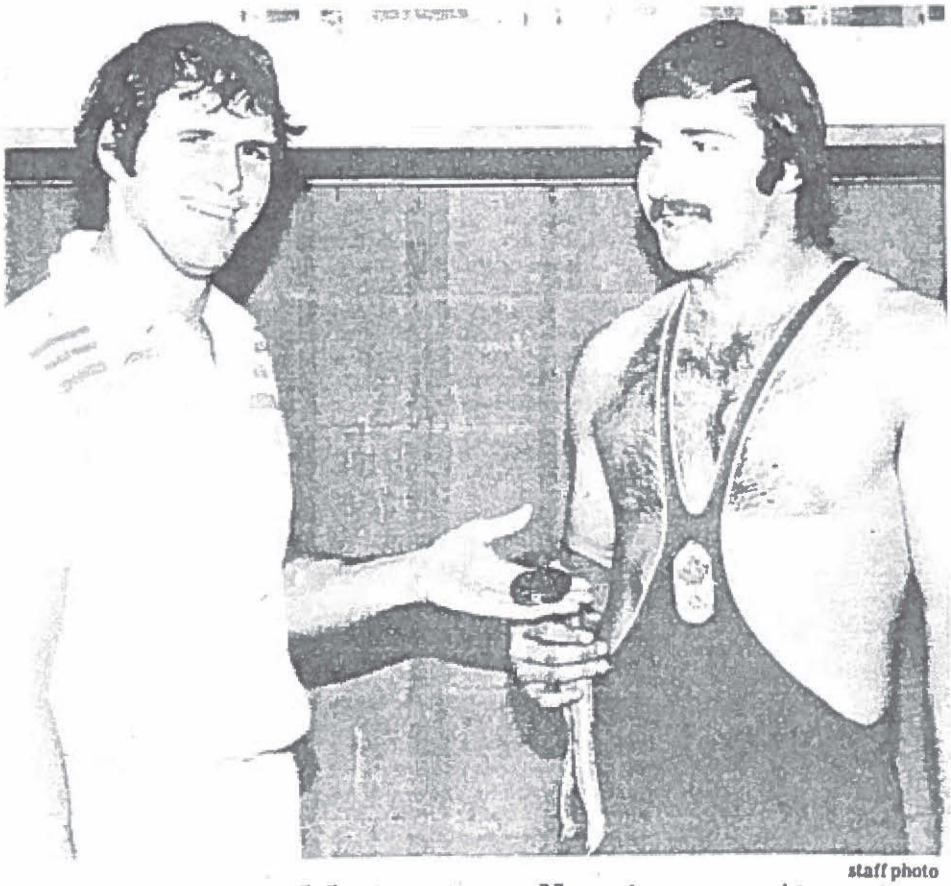

Lakehead University wrestling coach Bob Thayer left Monday, heading a team that compete in Bulgaria and West Germany.

With Thayer are seven members of Canada's National team. They include Thunder Bay's Frank Schaller, fresh from winning a silver medal in the Canadian collegiate championships last weekend at the LU fieldhouse.

Others are Chris Rinke and Mark Mongeon of Vancouver, Ray Takahashi of London, Ont., Mike Barry of Windsor, Sid Throwsky of Alberta and Wayne Brightwell from Guelph.

Following the two European tourneys the team returns to Canada March 16.

LAKEHEAD UNIVERSITY won the 1980 Canadian Intercollegiate Athletic Union school team championship over the weekend in Saskatoon. Members of the winning contingent include front row, left to right: Henry Lianga, Rick Alloi, Andy Jackson, Randy Budner, Larry Moro. Back row, left to right: Mike Warbanski, Dale Adams, coach Bob Thayer, Joe Picton, Mark Jodoin, Frank Schaller.

School team title taken by LU wrestling squad

Star 3/80 (P.M.)

BY BUD TOLMAN
Staff sports writer

For Thunder Bay the 1980 Canadian Intercollegiate Athletic Union wrestling championships, which finished over the weekend at Saskatoon, was a real happening.

A 10-man Lakehead University squad returned home Sunday with the school championship and they led the way for a combined Great Plains-Canada West squad to claim the team crown.

The combined GPAC-CWUAA team finished with 39 points and that was just enough to dethrone defending champion Ontario University Athletic Association, which finished one point back.

Also in the weight divisions Lakehead captured one gold, four silver and two bronze medals. And four other Thunder Bay high school grads, now attending universities in other parts of the country, claimed gold medals.

The Thunder Bay gold medalists were Randy Budner of LU at 72 kilos, Brian Renken of Ottawa University at 80 kilos, his brother Lloyd Renken of the University of Western Ontario at 68 kilos, Steve Daniar of McGill at 86 kilos and heavyweight Wyatt Wishart of Concordia.

In with silver medals for LU were Mark Jodoin at 54 kilos, Dale Adams at 57 kilos, Rick Alloi at 100 kilos and heavyweight Andy Jackson.

The LU bronze medalists were Joe Picton at 61 kilos and Larry Moro at 68 kilos. Another city high school grad, Ed Slabikowski of Guelph University, also took a bronze.

Just missing out on the medals among the LU squad were Henry Lianga at 65 kilos and Frank Schaller at 80 kilos. Both finished fourth in their weight classes.

Having the roughest time among the LU grapplers was Mike Warbanski at 86 kilos. He placed sixth.

Budner won all of his matches en route to his gold, with his toughest battle a 6-4 decision over silver medalist Jamie Bethune of Guelph. The other three wins for Budner were all by superior scores.

Wishart beat LU's Jackson in his opening match and coasted to the gold. Jackson bounced back with three straight pins before dropping a 6-5 final match decision to Gavin Carrow of Guelph. But by that time Jackson had pretty well locked up the silver behind Wishart, who repeated as CIAU heavyweight champ.

Also repeating as champ was Lloyd Renken, who won two of his four victories via pins. Brian Renken took four decisions, plus a pin over LU's Schaller and Schaller never got back into the medal hunt.

Daniar won all of his matches by wide decisions to easily take the gold.

The other gold medalists included Ron Moncur of Calgary, at 50 kilos, Ray Takahashi of Western at 57, Scott Tate of Alberta at 54, Sam Turchiar of Concordia at 61, Peter Farkas of B.C. at 65, Pierre Pomerleau of Alberta at 76 and Wayne Brightwell of Guelph at 100 kilos.

LU's Adams gave a good run for the gold. He won a decision, then lost a tight 4-2 match to Takahashi, and finished with two more easy wins.

Alloi and Jodoin of LU both had fine performances outside their matches against the eventual gold medalists. Jodoin won three straight, then dropped a 16-7 loss to 54-kilo winner Tate, and then closed with a win.

Alloi posted two wins and then was outclassed 13-1 in the 100-kilo event by Brightwell. Two more wins though gave Alloithe silver.

In the conference standings it was GPAC-CWUAA 39, Ontario 38, Canada West B 22, Quebec 17, Ontario B 13 and Atlantic in the cellar at three points.

Finishing second behind Lakehead in the schools team event was Guelph, with the University of Edmonton third.

WRESTLING

Head Coach BOB THAYER
in his 3rd year as head coach of LU's internationally acclaimed Lakehead University Wrestling contingent, a previous Canadian coach to the British Commonwealth Games 1978 - former football-wrestling coach at Dalhousie University. Coach of Canada's team at the World Free Style Championships in San Diego, California 1979. Coached Canada's national team at the USA Nationals in 1979. Asst. coach for Moscow-bound Canadian National Team in 1980. CIAU Coach of the Year 1979.

Coach Thayer expects a solid future for wrestling in Canada and indeed Lakehead University. "We have over 45 hopefuls from all over Ontario and some from other provinces and out-of-country interest. This is a new breed of kid today. We are on the upswing as far as attitude is concerned. These young people want to compete — to excel — to be elite. Our success in recruiting is simply because we offer as wide a range and varied course selection as most universities and we promise a good program and schedule. Look to Lakehead to be garnering honours galore both in Canada, the US and abroad in the future."

Asst. Coach SEAN BARRY
hails from St. John, New Brunswick - de grees: B. of Comm. (St. Mary's, Halifa 1974), B. of Phys.Ed. (Western, 1975 Master's in Theory of Coaching, Psycl major (Lakehead, 1977-79) - from a lea in "Music Man", a New Brunswick Pul lic Speaking Award to numerous an sundry athletic scholarships to Japan a a research person and trainer, this mult faceted, intelligent human being grace our ranks as an assistant coach for th second year. A former escort of Madar Iona Campanolo to Grey Cup festivitie technical instructor at numerous wres ling camps, pre-olympic trainer of Cana da's junior wrestling team in 1976. Sean athletic career is almost too long — it must be capsulized as: 1964-69 and 197 New Brunswick & Nova Scotia Judo champ; Nova Scotia (57 kg) open wres tling champion 1971-74; 1972-74 CIAU (126 lb.) conference champ; Outstand ing Wrestler 1972-74 St. Mary's, 75 Ryerson, 1979 Sr. Canadians (57 kg); 197 World Cup team member (57 kg) olympic team alternate; 1976-77 OUA champion, CIAU champion (126 lb.); 1978, 8th in World Championships an presently a nationally carded wrestler on Canada's National Team . . .
