FOR ALL PARENTS (Curfew Policy):

Please note that the City of Thunder Bay has a curfew of 10:00 p.m. for children less than sixteen years of age. This curfew is also in effect on the grounds of Lakehead University and will be enforced.

A violation of the curfew by children between 12 and 16 years of age is punishable under the Young Offenders Act, 1992.

A violation of the curfew by children 12 years of age and under is considered an act of omission and neglect by the children's parents/guardians and is an offence punishable under the Child and Family Services, 1984.

Please ensure your children are in your residence by 10:00 p.m. and all younger children are properly supervised at all times.

NASL CHILDREN'S PROGRAM

The Native As Second Language program is offered at no cost in the morning for children aged five to sixteen wishing to develop communication skills in Cree, Oji-Cree and Ojibwe (Central Eastern & Western). For further information please call NLIP @ 343-8542, if you want to register your child.

ODAMINOWIN DAYCAMP

The Odaminowin day camp is comprised of class time, outdoor activities and field trips. It is also designed to develop and enhance awareness of Native culture. Parents can register their children aged five to sixteen years old for an \$80.00 fee that will provide a fun program for the duration of the NLIP program.

CLASSROOM DIRECTIONS

Your classes are scattered throughout the University so a map is enclosed to help you locate your classes. There are signs posted outside with arrows pointing to specific buildings. There is a campus map located at the very front of the University near the bus stop.

Examples of room numbers: RB3025; the RB stands for Ryan Building, 3025 is the room number, BL 2001, the BL stands for Bora Laskin building, 2001 is the room number. We are positive that you will be successful in finding your classrooms.

NOTE: If all else fails, just stop and ask someone for assistance.

NLIP STUDENT COUNCIL

During the summer session of NLIP 1998, it was decided that the NLIP Student Council continue to be active throughout the year so that planning can start as soon as NLIP begins. The NLIP Student Body will determine the process in the subsequent election of student council representatives. There is one representative for each class/section. One major activity of the council is to plan and fund raise for the graduation event.

NEWSLETTER

The NLIP newsletter will soon again be distributed to all Native students who are registered in the NLIP Program. The newsletter is a means to notify students of upcoming events, job postings, important information and issues. We are open for ideas and everyone is welcome to provide suggestions, poems, stories, and other material that they would like to contribute. Why not share your talent with everyone and submit something to us?

EXTRACURRICULAR ACTIVITIES

Extracurricular activities are incorporated to enhance your experience at NLIP. Long-standing events include potluck on Monday evenings and craft sale on Wednesdays. There will be additional activities depending on demand. A calendar is provided at the back of this handbook and notices will be posted. Have fun, but plan your time accordingly to allow sufficient time for your studies.

BUDGETING YOUR STUDENT ALLOWANCE

The financial assistance received from your Band each month must cover your expenses. Living in Thunder Bay is expensive; therefore, it is very important to budget properly. Set aside money for rent, food, telephone, childcare, books/supplies and leisure activities. Save extra money for any emergency situation that may arise. If your Band gives a book allowance, try to remain within the amount they have given you. Always check to see if the book or manual is really necessary to purchase – is it a required reading or a suggested reading? Should you exceed your budget, check with your Band to see if you can provide receipts so they will reimburse you.

An example of a budget would be as follows:

REGULAR MONTHLY INCOME

If you are experiencing financial difficulties, please contact the Financial Aid Office (SC0008) to discuss your situation with someone.

Due to excessive housekeeping and maintenance costs in the past, NLIP students residing at Lakehead University residence will be billed for **all** housekeeping and maintenance expenses.

**THIS WILL AFFECT YOUR ELIGIBILITY FOR
FUTURE ENROLLMENT IN THE NATIVE
LANGUAGE INSTRUCTORS' PROGRAM!!**

There will be weekly inspections of residences in order to assign costs, if any. These will be done on weekends so the student may be present during the inspection.

Damages to individual rooms will be charged to the student responsible for that room.

Expenses for housekeeping or maintenance to townhouse common areas will be divided between students residing in that unit.

**ANY OUTSTANDING CHARGES OWED BY YOU,
THE STUDENT, MUST BE PAID IN FULL BEFORE
YOU WILL BE CONSIDERED ELIGIBLE FOR
FUTURE ENROLLMENT!!**

NLIP RESIDENCE STAFF

NLIP has taken responsibility to aid the students in attaining a healthy living environment and give assistance to students who experience concerns in residence living. The NLIP Residence Coordinator is Joann Lesperance and the Assistant Residence Coordinator is Michael Maracle, they can be located at Silver Islet #7; if calling from outside the university, phone 343-8888, ext. 5936, from within the university just dial 5936.

NLIP students and faculty are provided with a Residence/Student handbook listing LU services and regulations.

The NLIP Residence staff will assist you during Lockouts, provide change for Laundry, enforce the noise and curfew policy, and investigate occurrences that require attention. Move-in and move-out assistance will be available for the elderly and physically challenged students/instructors. At no time will residence staff repair the telephone(s) or any other appliance(s) in the residence units. Lakehead University maintenance staff will tend to repairs once the residence staff has submitted a work order.

TOWNHOUSE RESIDENCES

The phases are a row of typically seven townhouses, which consist of three and four bedroom units. Each townhouse is fully furnished, complete with a full kitchen, storage room and patio. Each storage room is supplied with a vacuum, mop, bucket, broom, dustpan, snow shovel, and ironing board. Students must provide their own dishware and cooking utensils. NLIP students will be located in Phase III of the Residences (Bearskin Lake), near the Faculty of Education/Bora Laskin Building off of Balmoral and Beverly Street. NLIP instructors and students with medical conditions will be located in the South Residence – Schreiber - 1st. Floor.

There is **absolutely no smoking in any rooms or buildings including the Residences**. Anyone caught smoking can be brought in front of the Lakehead University Disciplinary Board.

Smoking exception may be made by the Vice-President (Administration and Finance): to accommodate the use of tobacco or related substances in connection to culturally significant celebrations formally conducted on campus by members of the Aboriginal community. Lakehead University will permit the on-campus use of the four sacred medicines, Tobacco, Sage, Sweetgrass and Cedar, in connection with Aboriginal spiritual practices at cultural and educational events, meetings and relevant classroom presentations. Aboriginal students, faculty, staff, Elders and cultural teachers are free to use tobacco or related products to conduct individual or group, traditional spiritual practices such as: Opening/Closing prayers, Individual or Group Smudging; Feasts; Sacred Circle Ceremonies; Pipe Ceremonies; Sweat/Moon Lodge Ceremonies; Powwows; Aboriginal Drumming/Singing, etc.

ALCOHOL (Source: Residence Handbook, Alcohol Policy)

Student Service groups on campus provide several avenues to educate students about drinking responsibly. At no time is excessive drinking condoned. Any students involved in alcohol-related incidents may be required to attend a follow-up session with the Residence Life Coordinator and may be placed on probation, students may be requested to undergo an alcohol assessment and/or be referred to counseling. In addition to rules set by the Residence Life staff, the Ontario Liquor License Act (as follows) applies to all students.

- ❑ No person shall sell or supply liquor to any person in or apparently in an intoxicated state;
- ❑ No person shall knowingly sell or supply liquor to a person under the age of nineteen years;
- ❑ No person shall be in an intoxicated condition, in a place to which the general public is invited or permitted access; or in any part of a residence that is used in common by persons occupying more than one dwelling in the residence.
- ❑ No person under the age of nineteen years shall have, consumed, or attempt to purchase or otherwise obtain liquor:
- ❑ Every person who contravenes any provision of this act or the regulations and every director or officer of a corporation who knowingly concurs in such furnishings, failure or contravention is guilty of an offense and summary conviction.

Violations of the Ontario Liquor License Act and/or inappropriate behavior resulting from alcohol use can lead to severe disciplinary action through Residence and/or legal system of Ontario. NLIP Residence staff that respond to complaints where the consumption of alcohol is involved will issue one verbal warning after which security will be called if any subsequent complaints are received. A written warning will be issued when security is involved and an NLIP meeting may be called to determine the disciplinary actions taken against the tenants not excluding eviction. If you suspect that alcohol is affecting your life in a negative manner, please see your NLIP Residence Coordinator/Assistant or the Residence Elders. A Counseling Centre will be made available during the program.

ABRAHAM J. HESCHEL: Self-respect is the fruit of discipline; the sense of dignity grows with the ability to say no to oneself.

WILLIAM J. H. BOETCKER: That you may retain your self-respect, it is better to displease the people by doing what you know is right, than to temporarily please them by doing what you know is wrong.

NOISE

Noise levels are to be kept to a minimum as students will be studying and children will be in bed in adjacent townhouse units. If noise levels are an issue the tenants of the unit in question will receive a verbal warning and then a written warning if noise levels are not adjusted. LU Security may be called to intervene and this infraction depending on severity may determine if the tenant(s) involved will remain in the residence. Bartley Residence will be notified of the final action taken.

GUESTS

Absolutely no unregistered guest(s) are allowed in the townhouses after 11:00 pm. NLIP Residence staff will request unregistered guest(s) to vacate and Lakehead University Security will intervene if the unregistered guest(s) does not comply.

KEYS

NLIP residents will receive their own set of keys for their designated townhouse unit. Three keys will be issued to all NLIP students/instructors. One key will open the main door of the townhouse, the second key will open the door to the laundry facility, and the third key will open their designated bedroom door.

In the event that a student/instructor misplaces their keys, there will be a charge for a lock change and key replacement. The charges for lost keys are as follows: \$75 for a lock change (front door of unit), \$15 for front door key, \$15 for laundry room key, \$15 for bedroom key, totaling \$120. For security reasons lost keys must be reported immediately and the duplication of keys is not permitted.

LOCK-OUTS

In the event a student/instructor is locked out of their room please attempt to contact the Residence staff first, Joann or Michael @ Silver Islet #7, telephone number ext. 5936. If they cannot be reached then call Security Services at telephone number ext. 8569.

PERSONAL LAUNDRY

Coin operated laundry facilities are provided in all residences. Washers and dryers are available at a cost of \$1.50 each with the larger front loaders in the townhouse laundry rooms (where available) costing \$1.75. Students/instructors will be required to provide their own detergent, softener, etc. Ironing boards are provided for your convenience in all townhouse storage closets.

Students/instructors, please note that the use of the laundry facilities is at your own risk. The Department of Residence or NLIP will not be responsible for damage, stolen or lost articles of clothing. Any items left abandoned in laundry rooms will be removed and placed in Residence lost and found at the Front Desk. Please notify the Residence Front Desk of any and all broken washers and dryers. All laundry machine refund requests are to be made through the Front Desk. Laundry change can be obtained from Joann or Michael at Silver Islet #7.

TELEPHONES

Phones are placed in each student/instructor designated townhouse unit and are included in residence fees as part of the on-campus package. Each occupant is responsible for their phone and will be charged a replacement fee of \$600.00 if the phone is irreparably damaged. If telephone problems are experienced NLIP residents can contact Joann or Michael at Silver Islet #7 and a work order will be placed with RezNet phone services. Students shall not change the locations of the phones since they operate on a network and internet based telephony system. Each phone is programmed for a particular room and will operate exclusively in that room. Students are requested to keep children from playing with telephones. In recent years, children have called emergency services which results in a \$35.00 service call charged to the NLIP program by Security Services. Parent(s) will be responsible for any unnecessary incurred cost(s).

LONG DISTANCE PHONE CALLS

Phones in Residence are restricted phones and therefore are not equipped to make long distance contacts. Phone cards can be purchased at any local convenience store. (i.e. Mac's on Beverly St.) The directions to use the phone cards are printed on the back of the cards; if you require assistance please contact Joann or Michael at Silver Islet #7, ext. 5936.

GARBAGE BINS/RECYCLING BINS

A green garbage bin is located beside the laundry facility in Phase III. The current schedule for garbage pick-up is posted in the storage room of the residence. Bags of garbage are to be placed in the bins located outside.

Please do not leave bags of garbage outside your townhouse. There will be a charge of \$25 per bag for removal of garbage left on the doorstep or in the yard.

There are blue recycling boxes located in the storage room of the residences. These blue boxes are to be used for recycling materials only. The blue recycling bins are located at the end of the Phase III driveway between Ouimet and Rocky Bay Townhouses.

The recycling bin is for the following items; glass, paper, cardboard, cans, and plastics. The recycling bins are strictly for recyclable materials and not for garbage.

- Do not allow strangers into your designated townhouse
